

CHEVALIER

TOPEKA WEST HIGH SCHOOL

VOL. 14 1975

TOPEKA, KANSAS

Foreword

Color plays an important part in everyone's life. Without color, life would be a dull, uninteresting routine. But color is not always what we see. More important, it is what we feel. Color reflects moods. Blue makes us think sad, whereas red makes us think cheerful. Students at Topeka West High School are usually happy, but everyone has an off day once in a while.

The yearbook staff has tried to record all the moods seen at Topeka West. Reflecting these moods, pictures and copy in the 1975 Chevalier illustrate its theme, COLOR MY WORLD. The staff hopes that you find all your special memories of Topeka West in the pages that follow.

Topeka Board Initiates MBO

Health, Education and Welfare compliance, board of education election procedure and Management by Objectives were projects the seven elected, unpaid members of the board of education dealt with.

MBO, a new staff organization plan, was established to place much of the decision making in the school buildings.

The board invited the community to introduce issues at its weekly public meetings. Routine tasks included approving school books, curriculum, budgets and building projects.

Listening to views of the board of education patrons on such issues as elections and busing is Harry Craig, board president.

TOP RIGHT: With pen and paper ready, Wayne Stratton listens carefully. **MIDDLE:** Pausing a moment from serious thoughts is Robert Schendel. **BOTTOM RIGHT:** Scanning board meeting notes are T.C. Anderson and Fred Rausch.

LEFT: The new director of area B is Dr. Gil Wehmeier. **BELOW:** Taking a moment out from his daily routine is Dr. Mark Morris. **BOTTOM LEFT:** While thinking pleasant thoughts, Dr. Gordon Summers smiles.

After listening to the views of the board members on HEW or busing, Superintendent Merle Bolton states his own opinions on the subject.

FAR RIGHT: Making important records for A office is Diane Miller, para-professional. **RIGHT:** Using a collating machine is secretary Martha Dickinson. The collating machine sorts into sequence papers used in pamphlets. **BELOW:** Typing items in the large typing room is aide Joyce Ellison.

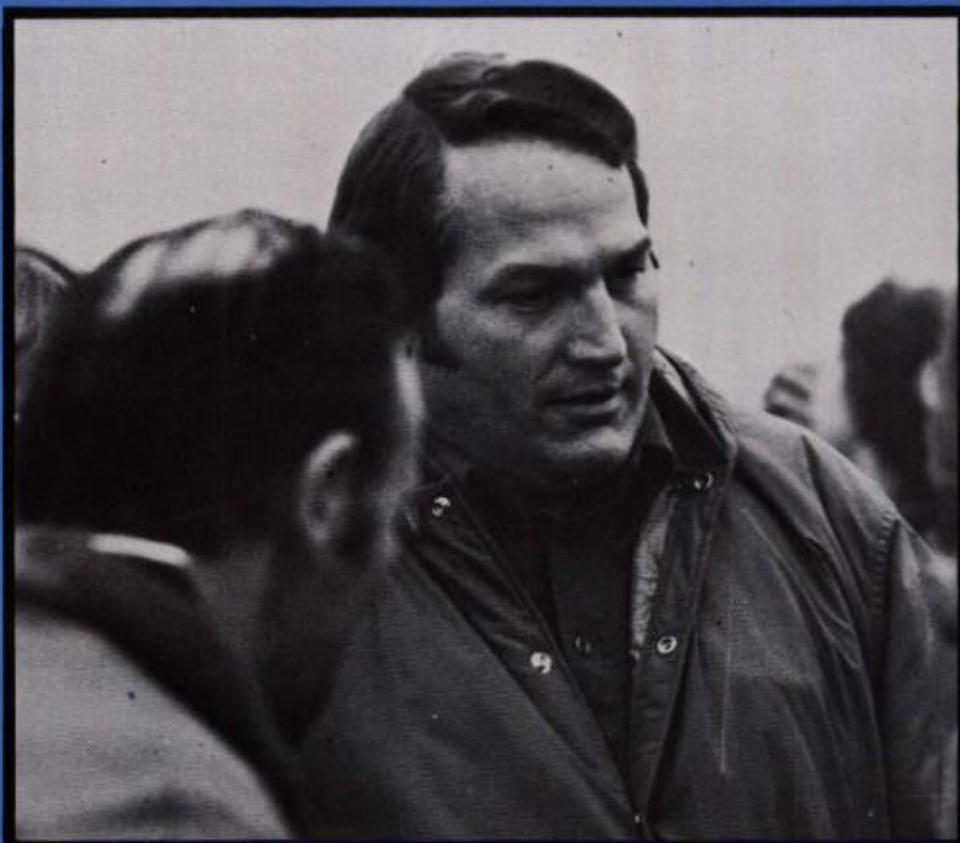

Deeter Involved, Loyal Charger

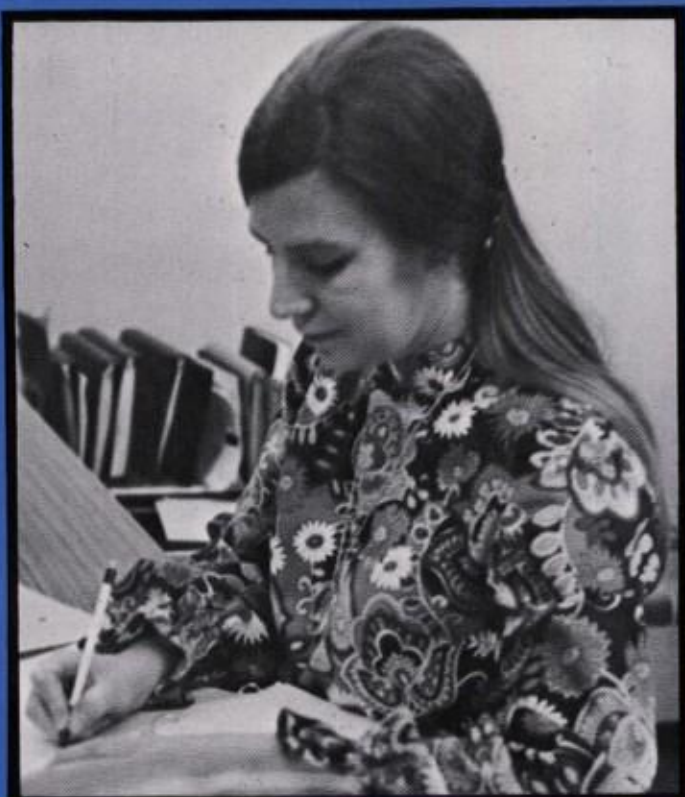

In his first year at Topeka West, Prin. Jack Deeter tackled the problems of running a school of more than 1,500 students and faculty by introducing several new policies and by strictly enforcing a new attendance policy.

He called his new job "overwhelming," saying, "I supervise everything that goes on . . . the buck stops here."

Mr. Deeter felt his purpose at West was "to listen to the needs of the students and to develop a curriculum which will best prepare them for life after they graduate."

CENTER ABOVE: Taking a moment to reflect on a school matter is aide Beth Myers. **ABOVE:** Attending a cross country meet is principal Jack Deeter.

Something Old Something New

Four new staff members joined secretaries Martha Dickinson and Ann Wiltfang in the main office. Rome Mitchell, former C School assistant principal, became associate principal. Joyce Ellison, Diane Miller and Beth Myers were para-professional aides.

All worked closely with new principal Jack Deeter, and the aides devoted some of their time to work in the classroom.

"Every day we do something we've never done before," said Mrs. Dickinson.

LEFT: Looking over and discussing the Charger activity board, which is new this year, are Rome Mitchell and Jack Deeter. **ABOVE:** Filling her coffee cup is Mrs. Wiltfang.

Discipline, attendance, counseling and enrollment fill the day for E School Ass't. Prin. Richard Schiller and Counselor Roger Ginavan. They also teach one class each day.

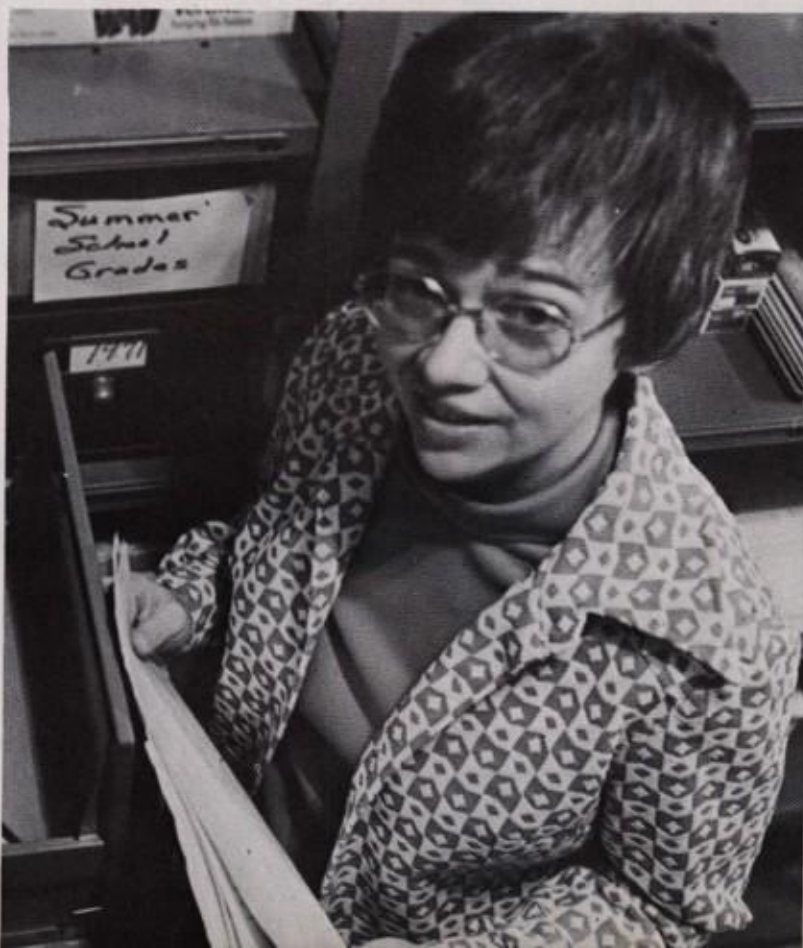

A loyal Topeka West Charger fan, Ass't Prin. Don French admires his newly purchased Booster Club emblems.

Examining a copy of the Campus View is Mrs. Roberta Chotlos, C School counselor.

Looking up from her files, Miss Margaret Fowler, B School counselor, smiles.

Pausing for a moment from her work, which includes enrollment, counseling, and interviewing, is Mrs. Lila Paslay of D School.

Filling out a form as part of the numerous paperwork customary to his job as an Asst. Prin. is Roger Dirks.

Students Rely On Counseling

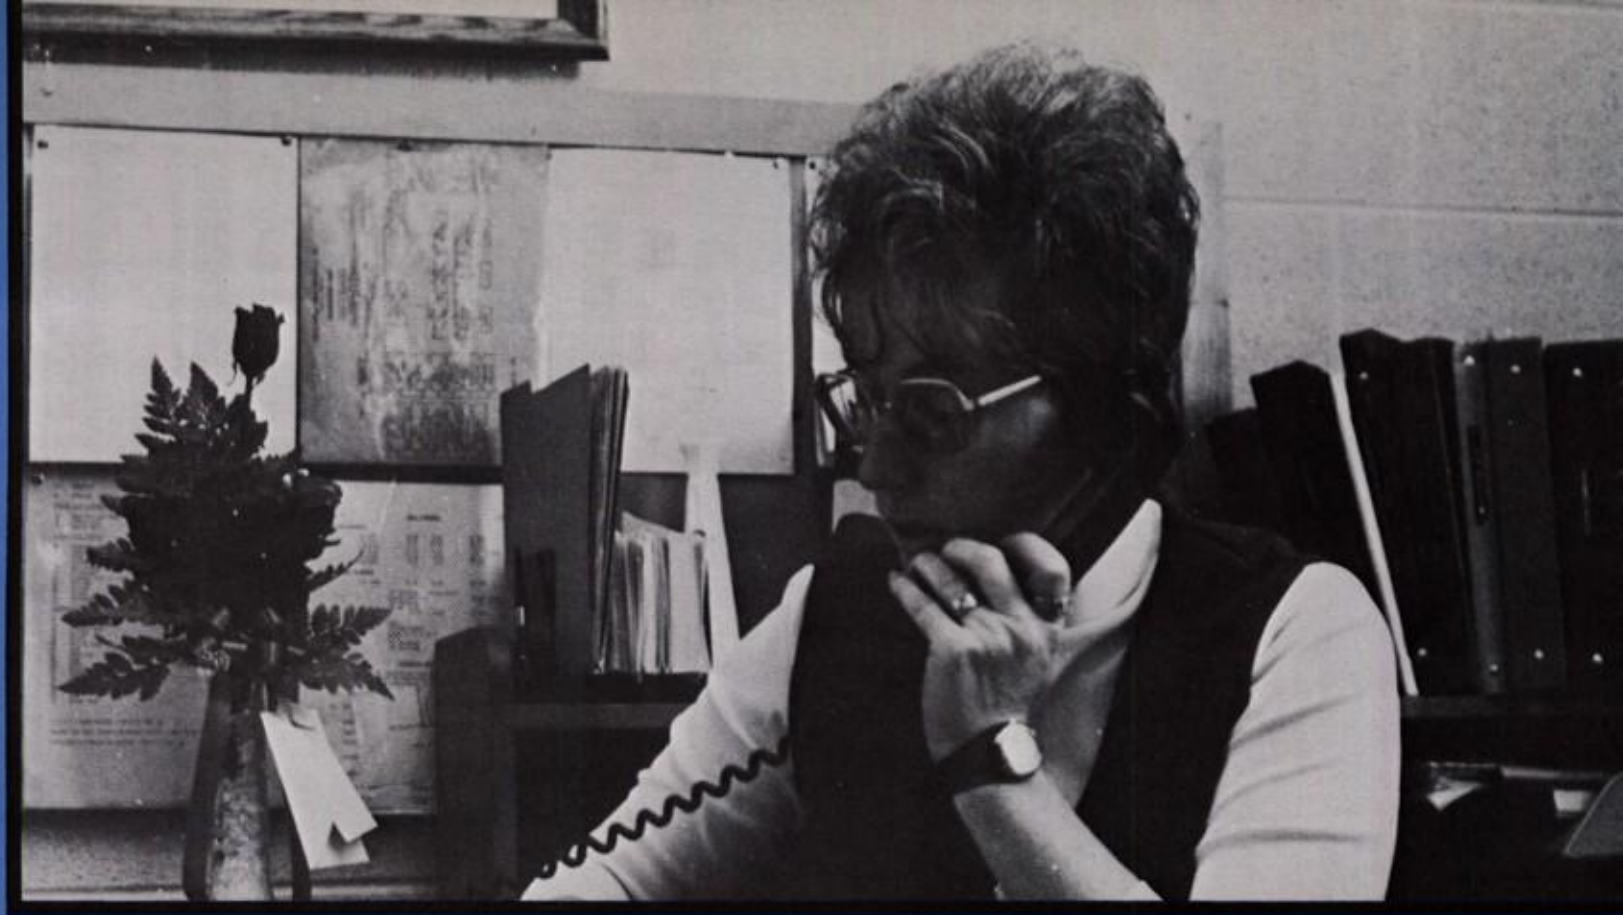

Counseling may well be one of the most hectic jobs on campus. Each year the four counselors deal with the normal tasks of enrollment, interviews and individual counseling. Along with these responsibilities there are many behind-the-scenes jobs: College night, work-studies, Interim and testing.

Counselors all agree that they enjoy their jobs and especially enjoy the opportunity to get to know the students on a one-to-one basis.

Planning parent conferences, supervising and evaluating little school faculty, and discipline within the little schools were just a few of the responsibilities of the four assistant principals. In addition, they each had individual duties that included planning Interim, sponsoring evening activities, establishing schedules, and working with student government. To make his day complete, each of these men also taught one class.

Attending a luncheon which provides a chance to discuss school situations with parents and personnel is Asst. Prin. Terry Sandlin.

Part of the job for Mrs. Jerry Blocher, B School secretary, is to answer the telephone. Receiving messages, taking care of the lost and found articles, writing call and admit slips and typing are only a small part of the job she does.

Caught in the action of checking and stamping federal forms is Mrs. Lola Page, E School secretary.

Putting rental books in their proper order is Mrs. Donna Hayek, D School.

Secretaries Do Various Tasks

Topeka West secretaries worked with counselors, sly proctors and Chargers who helped keep their day busy and amusing. Even though much of the work was the same each day, it wasn't always so easy to handle.

Secretaries took care of recording attendance, handling admit slips, correspondence for the counselors and assistant principals. They also prepared downsips and attendance cards to be mailed and supervised devious proctors.

Stamping, recording and filing the attendance cards is proctor Janet Leihi. Other jobs consist of answering the phone and running errands and call slips.

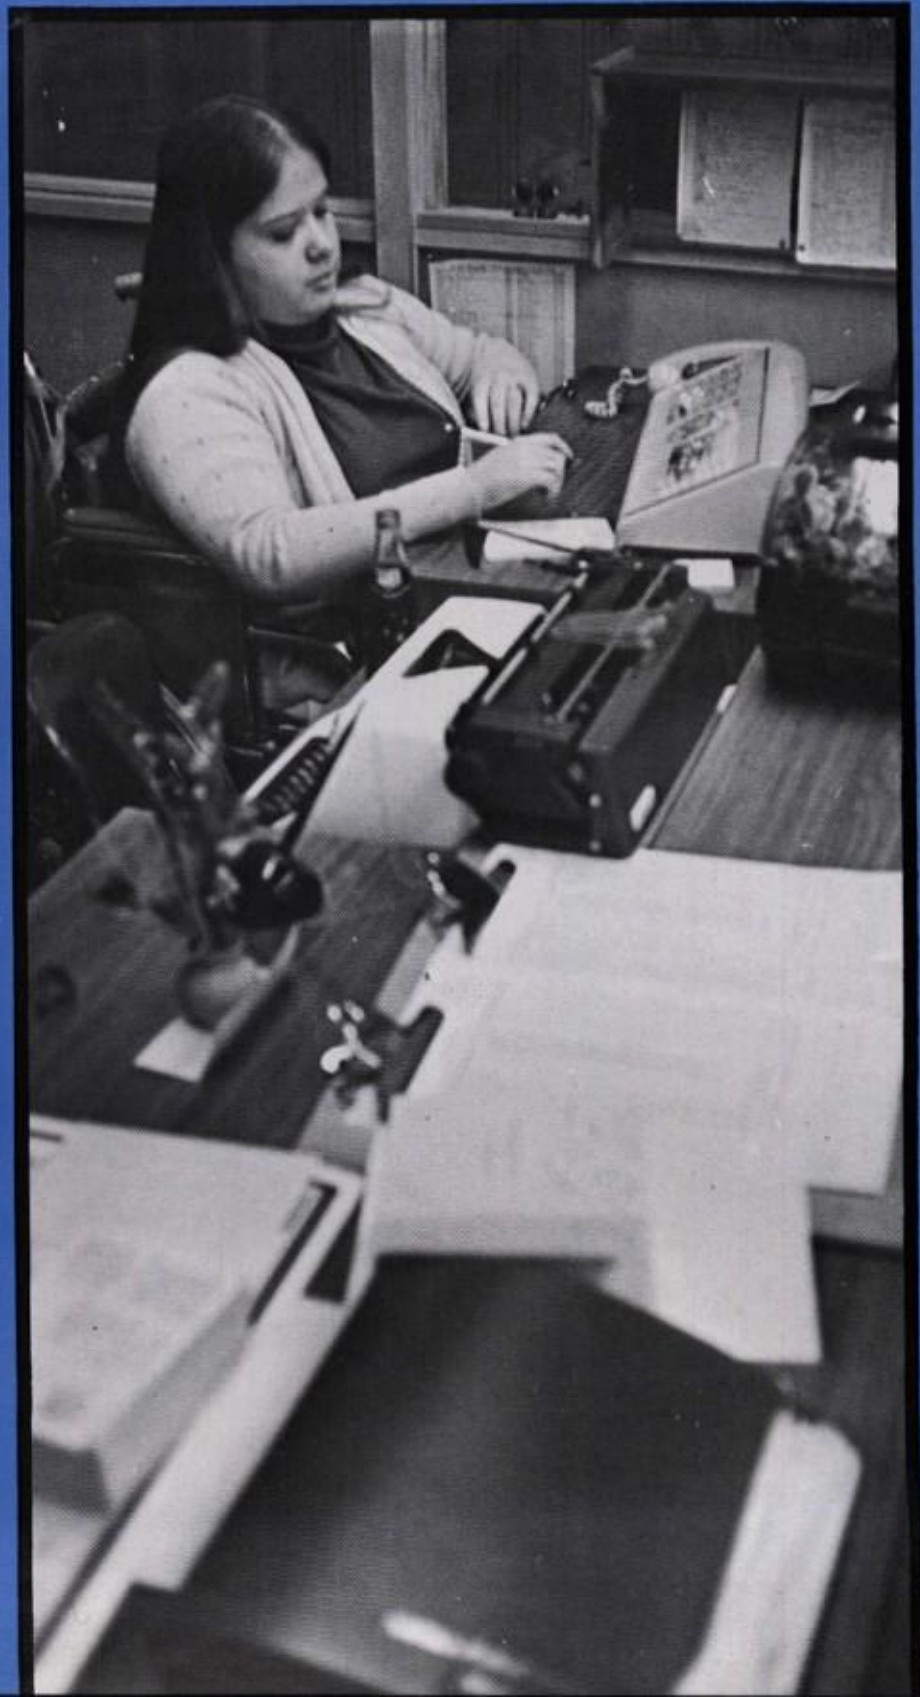

Proctors Prove To Be Helpful

By answering phones, running errands, and picking up attendance cards, the proctors proved their usefulness to the operation of school business. Under the watchful eyes of the secretaries, the proctors faithfully completed their assigned tasks. Again this year they were given one credit for their devoted work. Keeping up with their motto, "Always Smile," may not have been easy, but in any case the proctors helped to keep Topeka West running smoothly.

Taking a moment from her usually busy schedule to water her desk plants is Mrs. Jeannine Jones. Mrs. Jones is the C School secretary.

Answering the phone and running errands are just some of the jobs Kathy Gillespie and Mariam Cox do as proctors in A Office.

Waiting to take a message from the main switchboard telephone is proctor Debbie Horner. This is one of the main jobs a proctor does.

Faculty Shows Charger Spirit

The Topeka West chain of faculty gained 18 new links this year.

Together the 68 teachers tried to give every student the benefit of an education whether he chose it or not.

Faculty members as groups participated in such things as a get acquainted covered dish dinner, a KSU-KU football game, Christmas and retired employees' dinners and the Principal's Advisory Council.

Many teachers also devoted their time to special projects during Interim III.

Topeka West Custodial Staff. **FRONT ROW:** Willie Hunt, Sig Crawford, Art Petersilie, Ben Shepardson. **BACK ROW:** James Holford, Larry Davis, Jerry Whitlock, Frank West, head custodian; David Mendoz. **NOT PICTURED:** Norman Lutterman. These men keep the buildings in good condition.

Charger Campus Kept 'Clean'

Some of the friendly faces returning to the Topeka West campus were the familiar Charger custodians and security guard.

Patrolling the campus to keep "law and order" but finding few problems in his job of preventing trouble was security guard Al Twidwell.

Keeping the campus in good condition, which included the daily routine of cleaning each building and seasonal jobs such as clearing sidewalks of snow and mowing grass were some of the duties of the custodians.

LEFT: Pleasantly smiling in the early morning is officer Al Twidwell as he gives some unfortunate student a ticket for illegal parking.

The Topeka West Cafeteria Staff. **FRONT ROW:** Lea Stewart, Cheryl Gonzales, Emily Klug, Gerry Rutherford, Shirley Miller, Lorraine Bosch, Vivian Newell. **BACK ROW:** Ethel Lester, Teresea Gaupil, Marilyn Fargy, Evelyn Hrenchir, Edna Snook, Patty Parker, Victoria Frank, Tom Bozema, Gene Kil-linger, Dee Fiegner, Elaine Smith. Mrs. Vivian Newell was the new cafeteria director and some new improvements in the cafeteria were made.

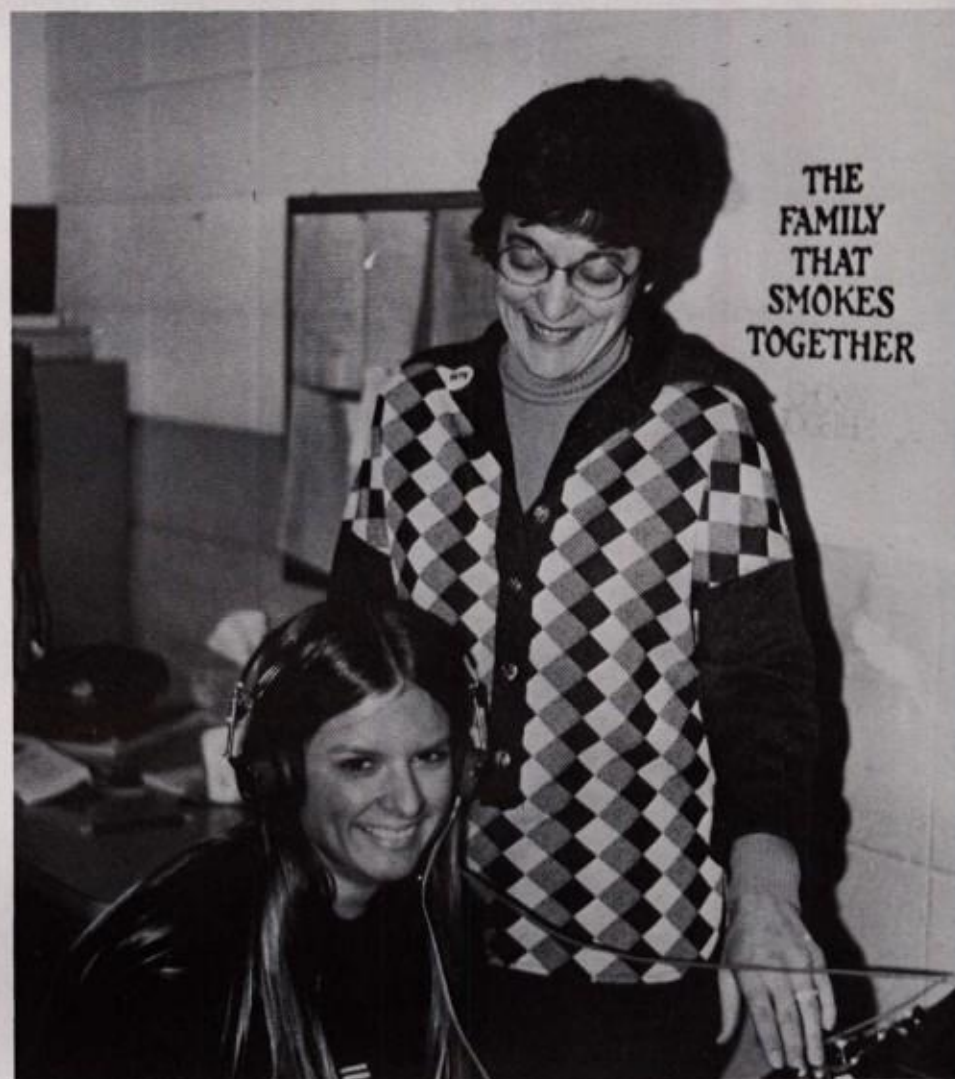

Service Staff Aids Chargers

An improvement in the Topeka West cafeteria was serving food to the students "hot off the griddle," said Mrs. Vivian Newell, new cafeteria director.

"We're trying each day to make the products better," she said.

The cafeteria and nursing staffs have always been prepared to help students.

During her first year at West, Mrs. Charlotte Campbell, nurse, assisted Chargers by "taking care of emergencies and first aid for injured students at school."

ABOVE: Getting her hearing tested by distinguishing the tone sounds is Vicki Gross. Testing her is the nurse, Mrs. Charlotte Campbell.

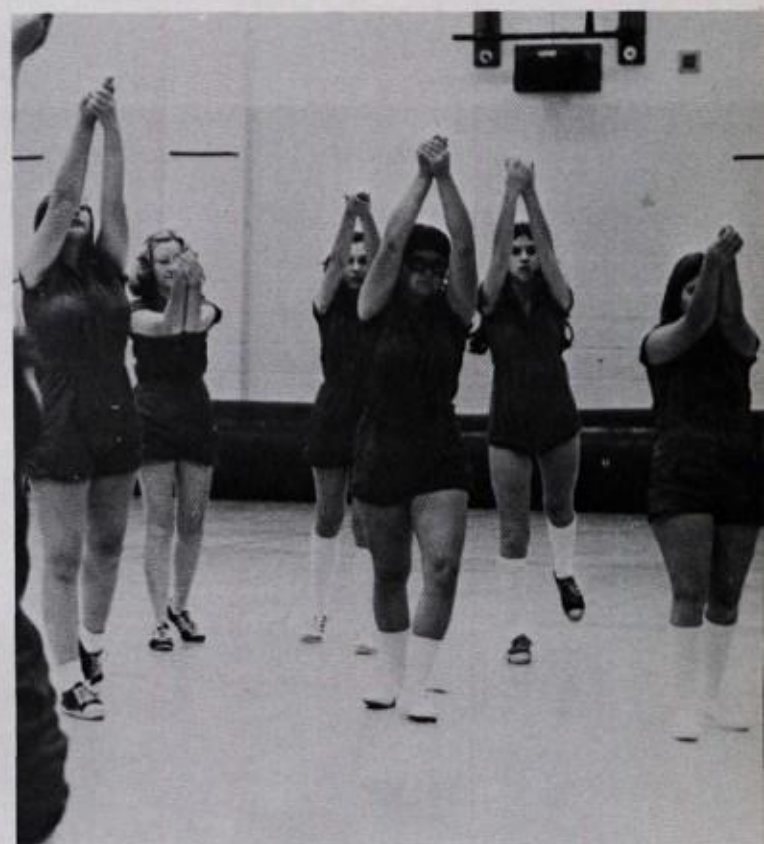

STUDENTS

Sophs Initiated To Chargerland

Selling candygrams and T-shirts, and sponsoring a Christmas charity program were some of the things the sophomores undertook. "I have great expectations for the sophomore class in all fields," said Brian Dixon, class president. Although the sophomores started off with little enthusiasm, said Secretary-Treasurer Sarah Adams, soon they began to show tremendous spirit at school functions. The 491 sophomores accounted for about 33 per cent of the total school population.

Sophomore Class Officers. Jim Tuchscherer, vice-president; Sarah Adams, secretary-treasurer and Brian Dixon, president. The class held such activities as selling candygrams and T-Shirts and they sponsored a Christmas charity program and a collection for the Sullivan family.

Junior Motto 'Spirit of '76'

"Spirit of '76," junior class motto, looked forward to the Bicentennial year of 1976 to describe the many activities of the class. Activities for raising money for the Junior-Senior Prom include bake sales, selling "Spirit of '76" T-shirts and a pancake feed. Dawn Daniel, class president, said, "We aren't going to just sit around. We want to be involved in things."

Superior Senior Class Spirited

Beginning with three car washes and a picnic in the summer, the senior class was well on its way to a successful year. Returning for their last year at West, seniors sponsored "Spirit Week," which progressed from leopard skin-clad cavemen to students from the future.

The seniors were also involved in a watermelon feed, the annual talent show and senior assembly. They also organized the line of prize-winning floats in the Homecoming parade.

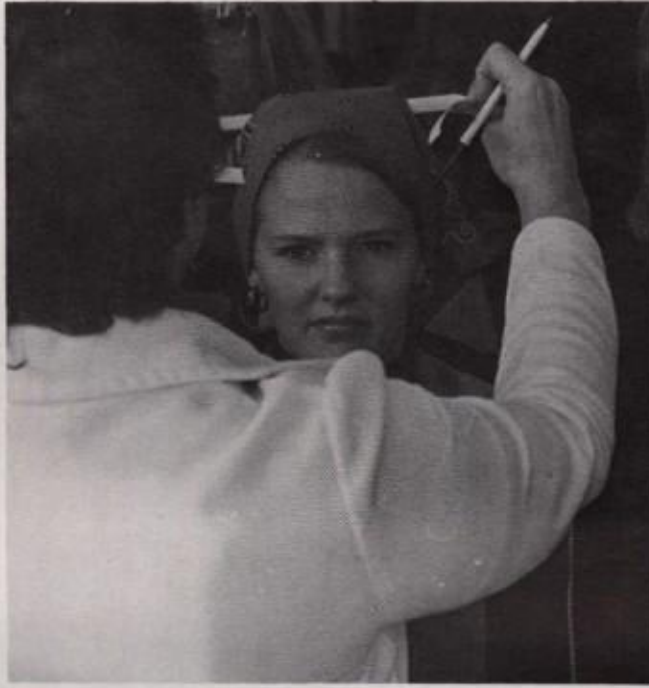

The cooperation and spirit of the Class of '75 came alive during the intense competition of the "Mutach Madness Marathon" and showed up again in the activities of "Something Big."

Leading the class of 1975 are the Senior Class officers: Mary Waddell, Secretary - treasurer; Lesle Guild, president; and Mary Teresa Doyle, vice-president.

MARK ADAMS: Senior Leader 3; Wrestling letter 1,2; Lab Assistant 2.

SUZY ADAMS: Spanish Club 1.

STEPHANIE ALBERG: Good Timers Club 1,2; Track 1; Passport 3; Homecoming crew 1; Snow Ball crew 1,2; Proctor 1,2; White Rose Procession 2.

Representatives More Student

Working with the constitution to try to make Student Congress an official government and trying to get more students involved were the main goals of StuCo this year.

Some of the Charger activities sponsored by StuCo were The Walk for Mankind, Homecoming, varsities, Snow Ball and Queen of Courts.

Thirty-five little school representatives were elected as a way of representing Chargers in StuCo.

Honor Pep New To Chargerland

Honor Pep was started this year as a way of getting more students involved. Members received points for participating in certain events.

Pep club sponsored a WPA and the Queen of Courts dance, which was also a WPA. The club raised money by selling schedule books in the fall. They also collected seals from certain products to raise money for video tape equipment for the library.

Leading Charger students, the Spirit Squad adds enthusiasm to the 1974 Homecoming Parade.

Clubs Served Many Interests

American Field Service sponsored foreign students and sent American students abroad.

Catalina Club learned basic synchronized swimming techniques and worked on routines.

Future Homemakers of America prepares students to be better homemakers. They also did service projects for the community.

By listening to speakers and going on field trips, Future Medical Careers Club learned about medical professions.

Foreign language clubs, French, German, Latin and Spanish, helped students to learn about the language of another country.

Future Teachers of America-Students action in Education was a club that tried to get teachers and students working together.

Timing and other jobs needed to run a swim meet were done by Goodtimers Club.

Hostess Club ushered for the musical and plays at Topeka West.

National Forensics League was a club for debate and speech participants.

Working on the theater productions were Thespians.

ACADEMICS

Interim III Produces Various Experiences

Whether it was the inner peace of yoga or the rigorous action of judo; the intense concentration of chess or the complete freedom of sky-diving; or maybe a look into broadcasting or law enforcement — students gained insight and varied experience through Interim Adventure III.

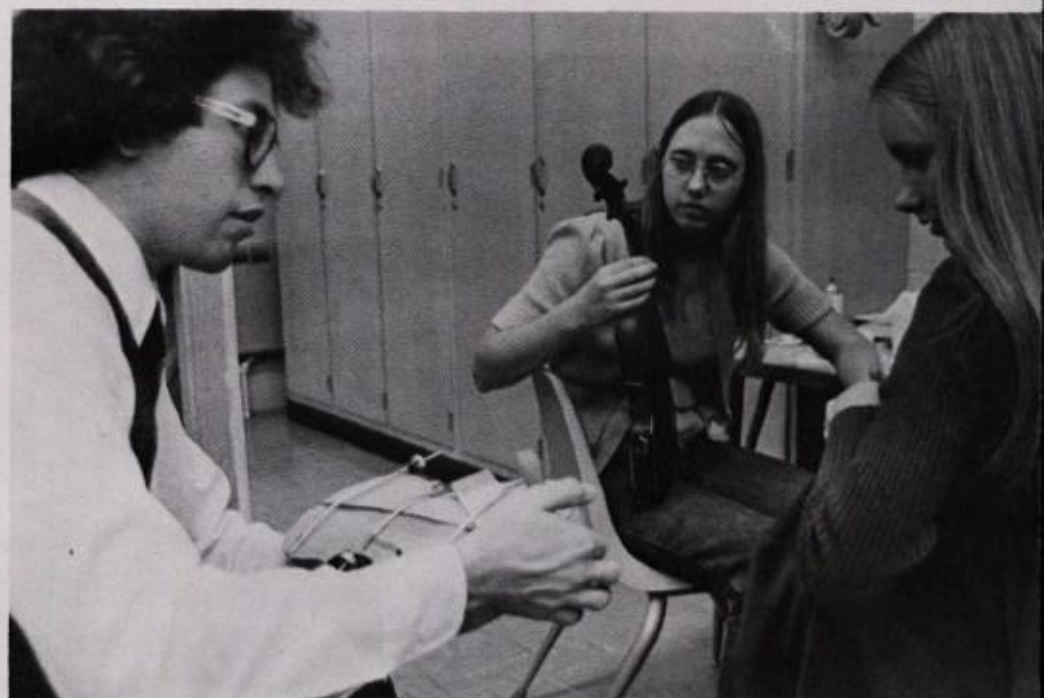

Interim was changed from Thanksgiving week to three days during teachers' meeting week, and so offered a total break from routine. Including 170 choices of both full-day and half-day activities, it exposed many views of vocational careers and acquainted students with various skills and a further general understanding of what the world has to offer.

In Memory of Nancy Hall, 1957-1973

During the summer of 1973, Nancy Hall, a Topeka West student who was a member of the class of '75, was fatally shot.

In memory of Nancy, her parents, Mr. and Mrs. Bertel Hall, donated \$1,000 which was used to establish a collection of books and paintings for the Topeka West library, 35 books and six original works by Topeka artists were included in the memorial collection. Some of the books chosen deal with poetry and animals because Nancy enjoyed these two areas. Artists chosen were James Bass, sculptor; Royce Fleming, Barbara Parks, art teachers and painters, Galen Senogles, Pauline Shirer and Rebecca Wright, painters.

Librarians Care About Students

Why is the Topeka West library one of the most developed libraries in Kansas? Primarily because the librarians care. Mike Printz and Miss Marcia Lundin take a personal interest in the students' needs.

The biggest event of the year was receiving a \$6,000 grant from the Shawnee County Bicentennial Committee. The money was used to purchase materials for a unique two-hour Kansas history class being offered next year. The class will give students the opportunity to go out and visit actual landmarks in Kansas.

Art Students Show Creativity

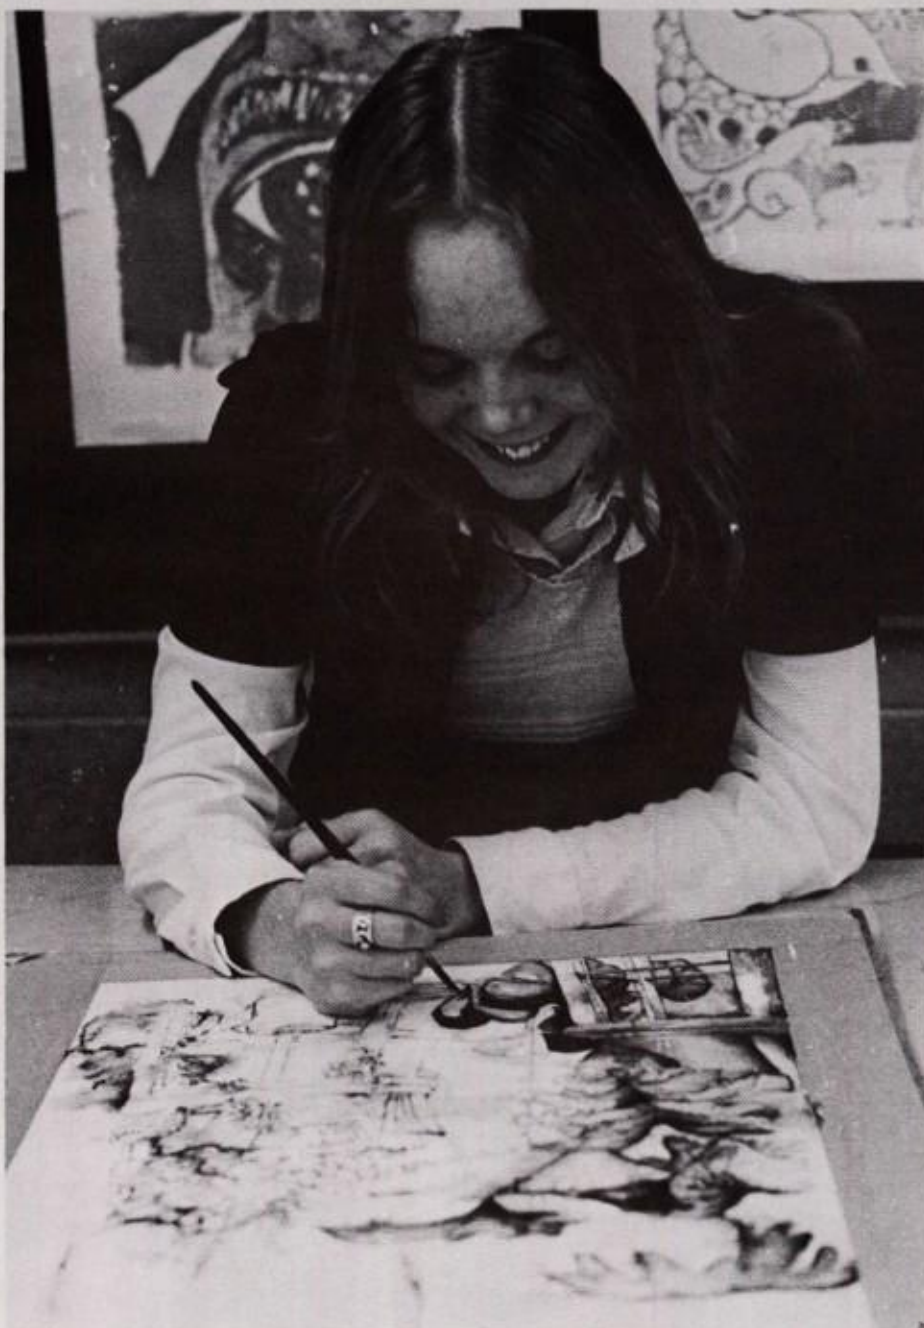

Art was possibly the one area in which students had the opportunity to create projects reflecting themselves.

This year students expressed themselves in classes such as design, drawing, opaques, sculpture, ceramics, jewelry and watercolor. Advanced classes were offered to seniors, allowing them to design and finish projects.

"Individual growth is a goal of both students and teachers," said Royce Fleming, department head.

Students' works were displayed at various shopping centers, at Washburn University and at state-wide Scholastic Art Award Competition in Wichita.

Chargers Learn Business Skills

"If you could learn to chew gum and walk at the same time, you could learn to typewrite." This facetious remark by business teacher Ron Shaffer was an open invitation to the basic course offered by the Business Department.

The first quarter of typewriting was consumed in learning the keyboard. The second quarter consisted of using the skills developed to type letters, tables and reports.

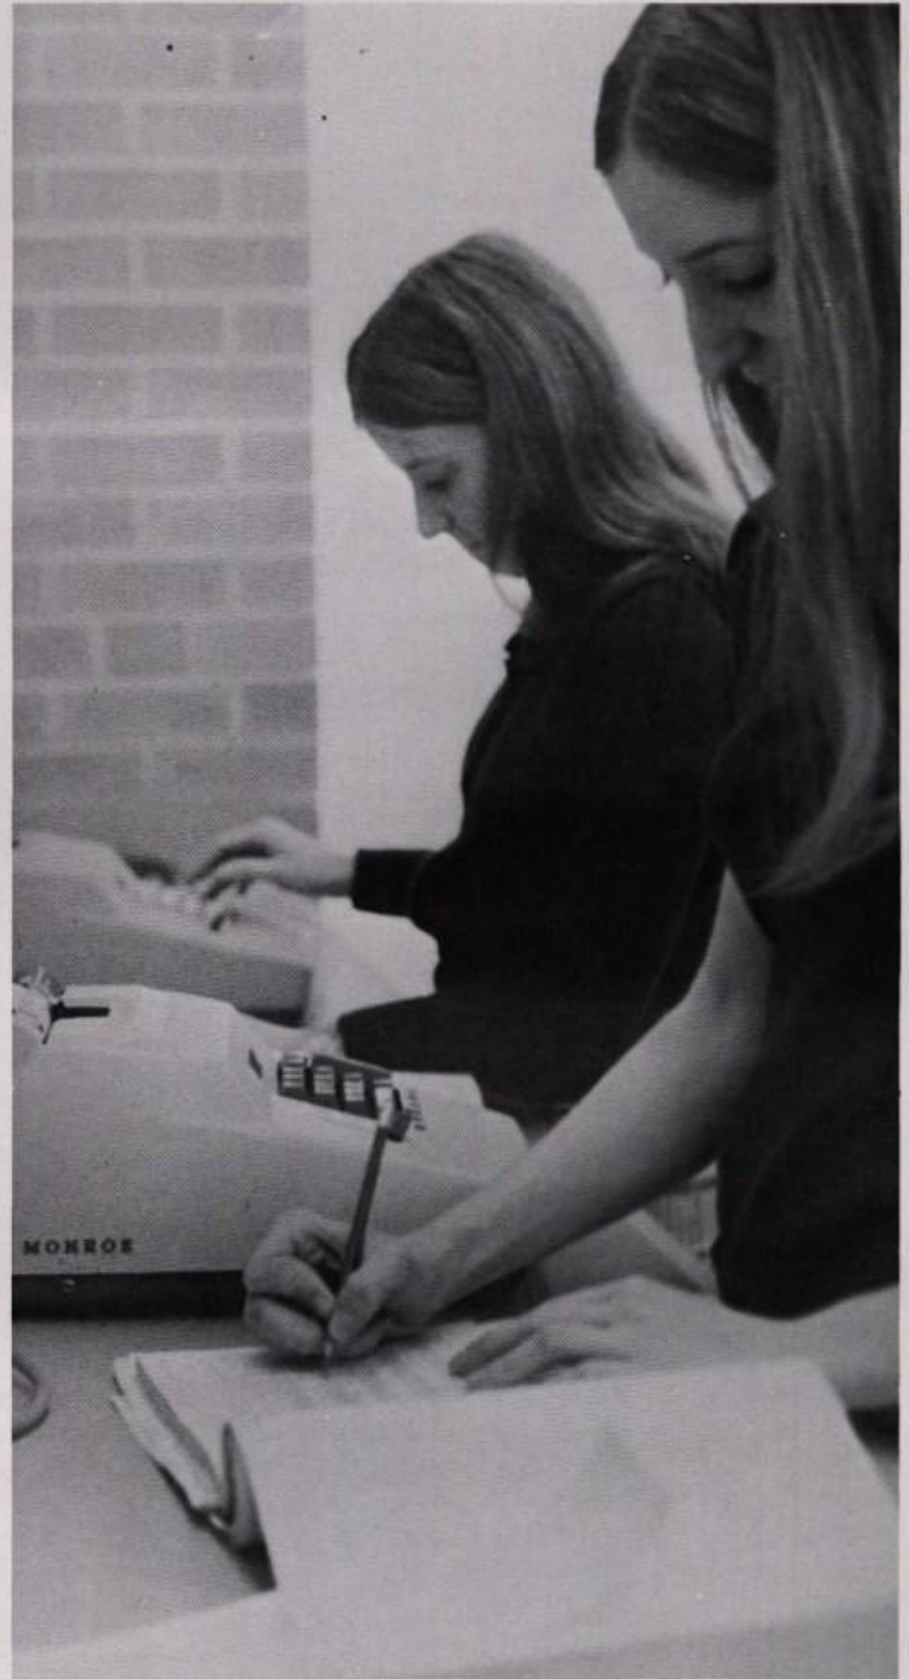

Two classes taught by Charles Conklin were Forkner shorthand and Lester Hill office simulation. The simulation, a part of office practice class, gave students a taste of true office employment. The Business Department also offered record keeping, personal finance and accounting.

Tallying company records on the adding machine during her office simulation class is Elisa Webb, '75.

Vo-Tech Offers Varied Training

Cooperative Industrial Training gave on-the-job training in fields such as laboratory assistance to auto repair. Two hours were spent in the classroom. One class reviewed skills to be used on the job, and the second class covered employee relations and the understanding of job forms. Each student was required to work at least three hours a day and earned the minimum wage.

Vo-tech offered 24 classes, ranging from welding to nurses training. West students attended classes half days on campus, then went to AVTS classes in their chosen vocation.

Debaters 4th In State Meet

With the effort of more than sixty debaters, twice as many as last year, and with the advice of Mrs. Dana Hensley, debate coach, the squad won 31 awards including first place at the 4A District Tournament. Placing fourth, Topeka West was represented by Glee Arnold, Joel Ginsparg, Jeff Light and William Weissbeck.

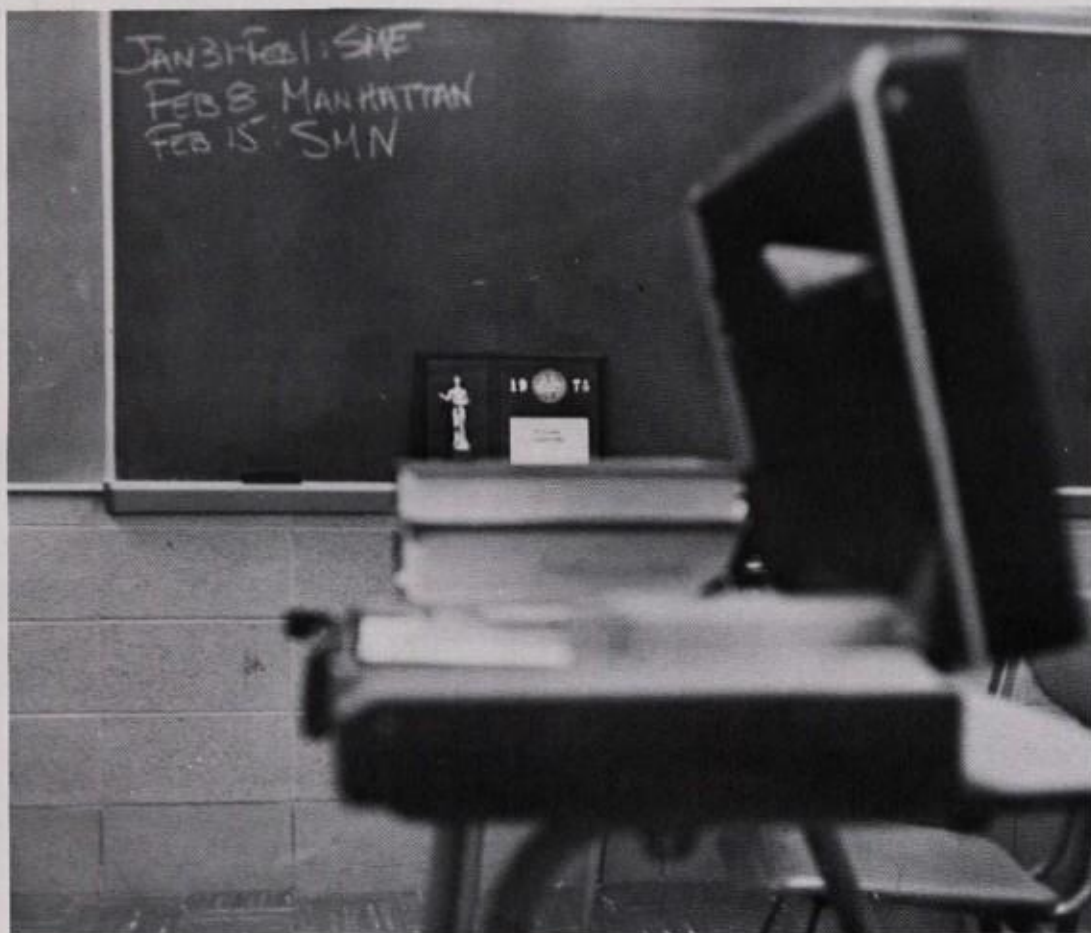

The 1975 debate topic was "Resolved: That the United States should significantly change the method of selecting the presidential and vice-presidential candidates."

Languages Offer New Experiences

Speaking in a strange language, practicing foreign customs, and eating traditional foods were just a few of the activities of the foreign language classes.

Topeka West offered four languages, French, German, Spanish and Latin. Each language was available at four different levels.

First year students gained a general knowledge of the language through vocabulary, spelling bees and simple conversations. Students explored the language in greater depth the second year. As the understanding increased, so did the many activities. German students sponsored Oktoberfest, a German festival, while French classes attended the play "L'Avare" in Kansas City.

Home Economics Becomes Coed

Whoever thought home economics would become a coeducational course? At Topeka West it did. The young men learned to cook and live as a bachelor. This was a new beginning of home ec in Charger Country.

Cooking offerings included International Foods and advanced food classes. Many students learned about the development of children and home decoration.

Tailoring class was added to the department's curriculum.

Industrial Arts Skills Acquired

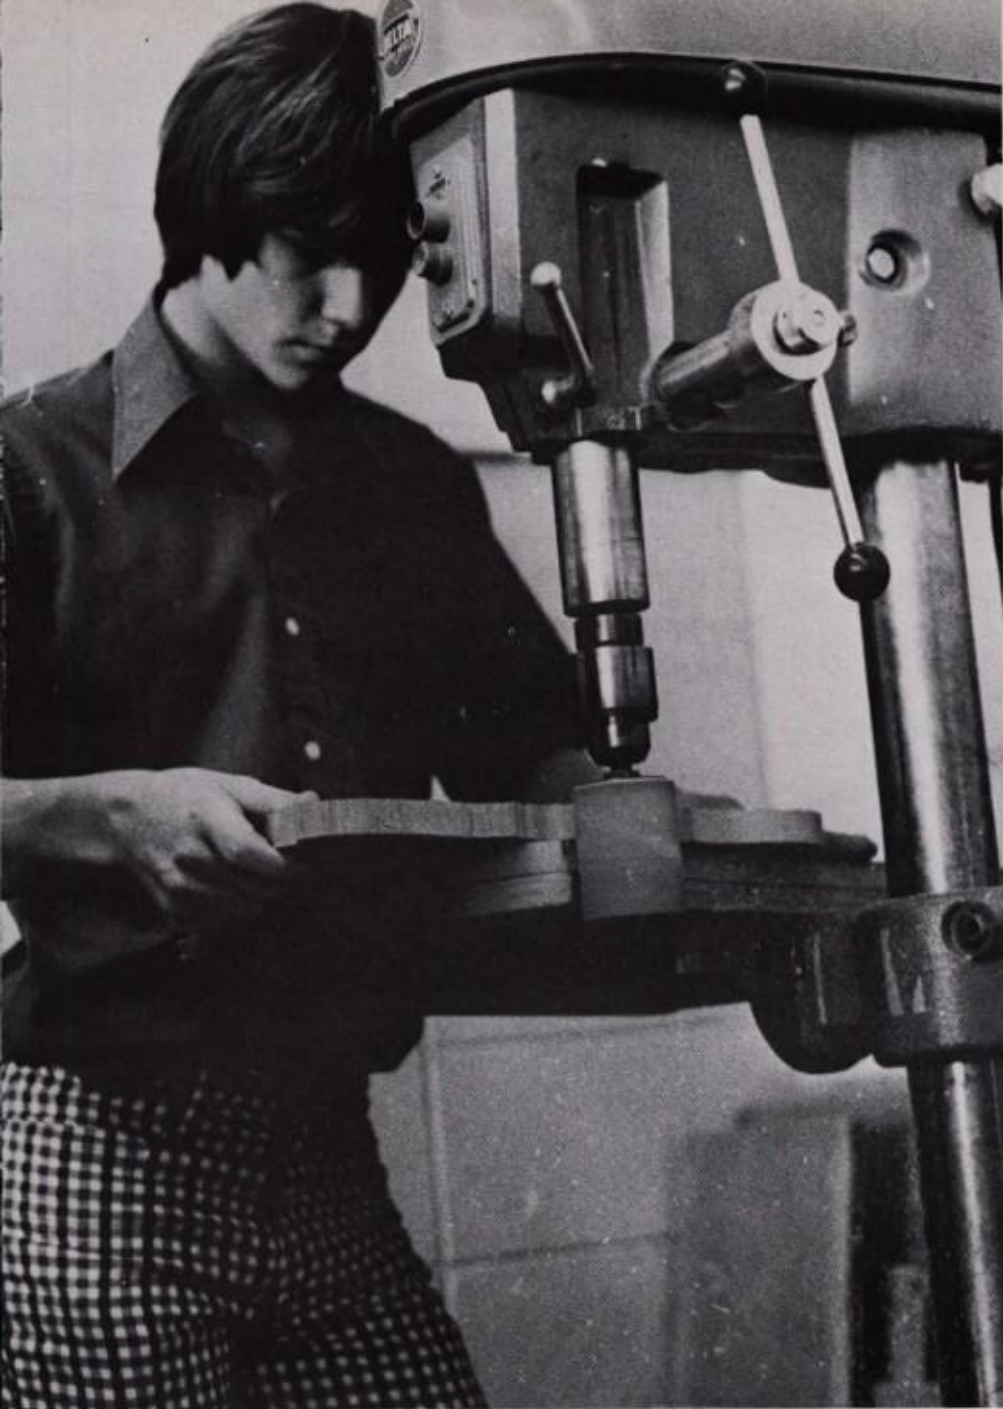

Coming out of the loud din of machinery and voices in the industrial arts classes this year were many ingenious projects besides the required jewelry or tool boxes.

These classes, including woodshop, metal shop, mechanical drawing and welding, gave students experience and a basic idea of how things were manufactured.

With an understanding of the basic principles, students were led to more advanced techniques and an idea of how to use the skills acquired.

Working on his first required project in Woods 1, a jewelry box made from the student's choice of wood, is sophomore James Shimp.

Musicians Get New Uniforms

The Instrumental Music Department at Topeka West involved 143 students this year. Among the guest performers was Ken Ticknor, an alto saxophonist from Topeka. Jim Cann, also from Topeka, soloed on the trombone. Two Topeka West students who made guest appearances were Richard Whitlow on the piano and John Kline on the violin.

The Charger Band purchased 100 new uniforms last spring and wore them for the football games in the fall.

With a big smile, band member Dave Love takes time out to model the new band uniform.

Chargers Learn Journalism Skills

Writing outlines and copy, worrying about deadlines, and striving towards journalistic goals were some of the responsibilities carried through by the Chevalier and Campus View staffs.

The 1975 Chevalier neared completion on a day by day basis under the leadership of Diane Kroesch and Cynthia Rischer.

The Campus View staff covered school events and outside student interest stories under the editorship of Anita Miller and Mary Teresa Doyle during the first semester. Barbara Shirky and Leslie Guild took over as co-editors for the second semester.

LEFT: With plenty of enthusiasm, Eddie Berger goes about the tedious task of delivering newspapers. **ABOVE:** The Campus View staff is occupied busily assembling newspapers.

Language Arts Offers Variety

"To learn to communicate in society and to understand and to appreciate the written language" were two purposes of language arts courses.

Composition 1,2,3, introduction to literature, creative writing, grammar and research, and accelerated reading were among the 33 language arts courses taught by 15 teachers.

The courses were designed "to help the student to become more aware of the possibilities of language," said Miss Patty Penner.

Charger Math Classes Multiply

Most people consider mathematics as one big puzzle, but for those in the new Mathematics as a Human Adventure puzzles were used to solve mathematical theorems.

Mrs. Ruth Lichtenstern, Mathematics Department chairman, said "Enrollment has really gone up this year. We have two classes of Computer Math, which Mr. Gladfelter teaches."

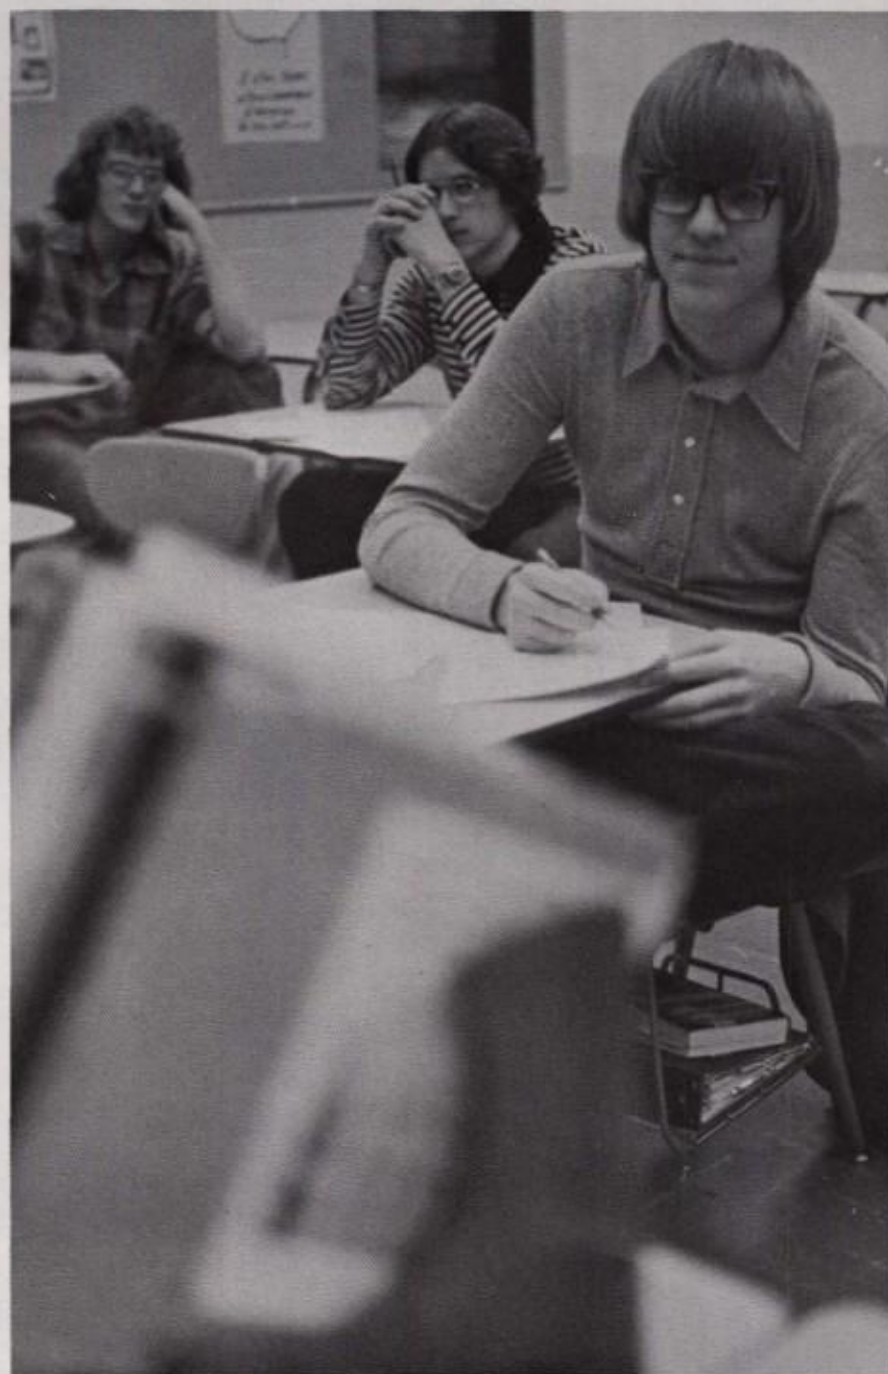

The department proposed some changes for next year. They will try to individualize mathematics by allowing students to study in one special field.

Steven Ripper, '77 trying to complete his geometry assignment, seems to be unsuccessful in keeping his mind on the subject.

Phys Ed Classes Keep In Shape

Girls' physical education classes were headed by two new teachers, Mrs. Cindy Boyles and Mrs. Peggy Marmet. Their program stressed helping individuals know why physical activity and exercises were important as well as knowing how to perform them.

"The girls were tested in the areas of cardi-vascular fitness, muscular strength and endurance and flexibility. Students were retested at the end of the year to determine improvement," said Mrs. Boyles.

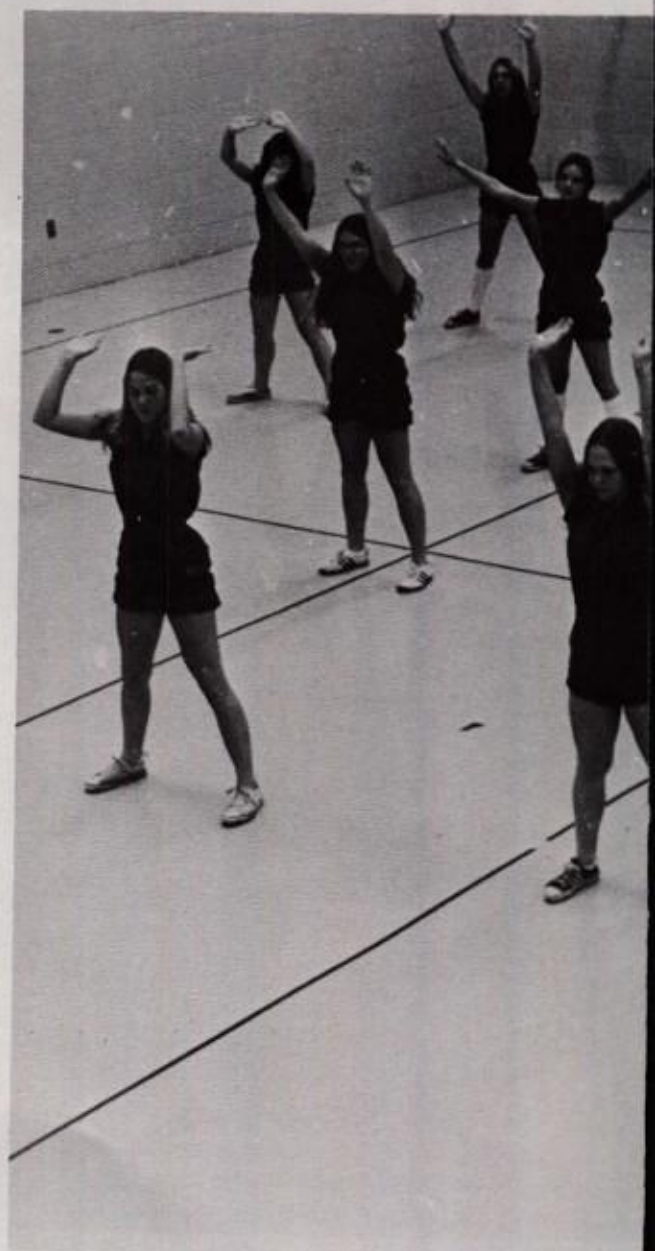

Boys' phys ed participated in activities such as badmitten, handball, shuffleboard, and soccer. Mr. Allen and Mr. Swartz were joined by new arrival Mr. Wright.

Participating in a highly competitive game of "run-and gun," Sophomore boys learn the basic principles of basketball and a vague idea of team spirit and cooperation in physical education.

Science Classes Talk To Plants

"My, you sure look green today." This might have been a familiar statement in the applied botany class as students took on the new fad of talking to plants to encourage growth.

Students raised a variety of plants and learned to make attractive floral arrangements which they loaned to offices and classrooms.

Other science-related classes were physics, astronomy, human ecology, chemistry, video tape production, human anatomy and physiology and biology.

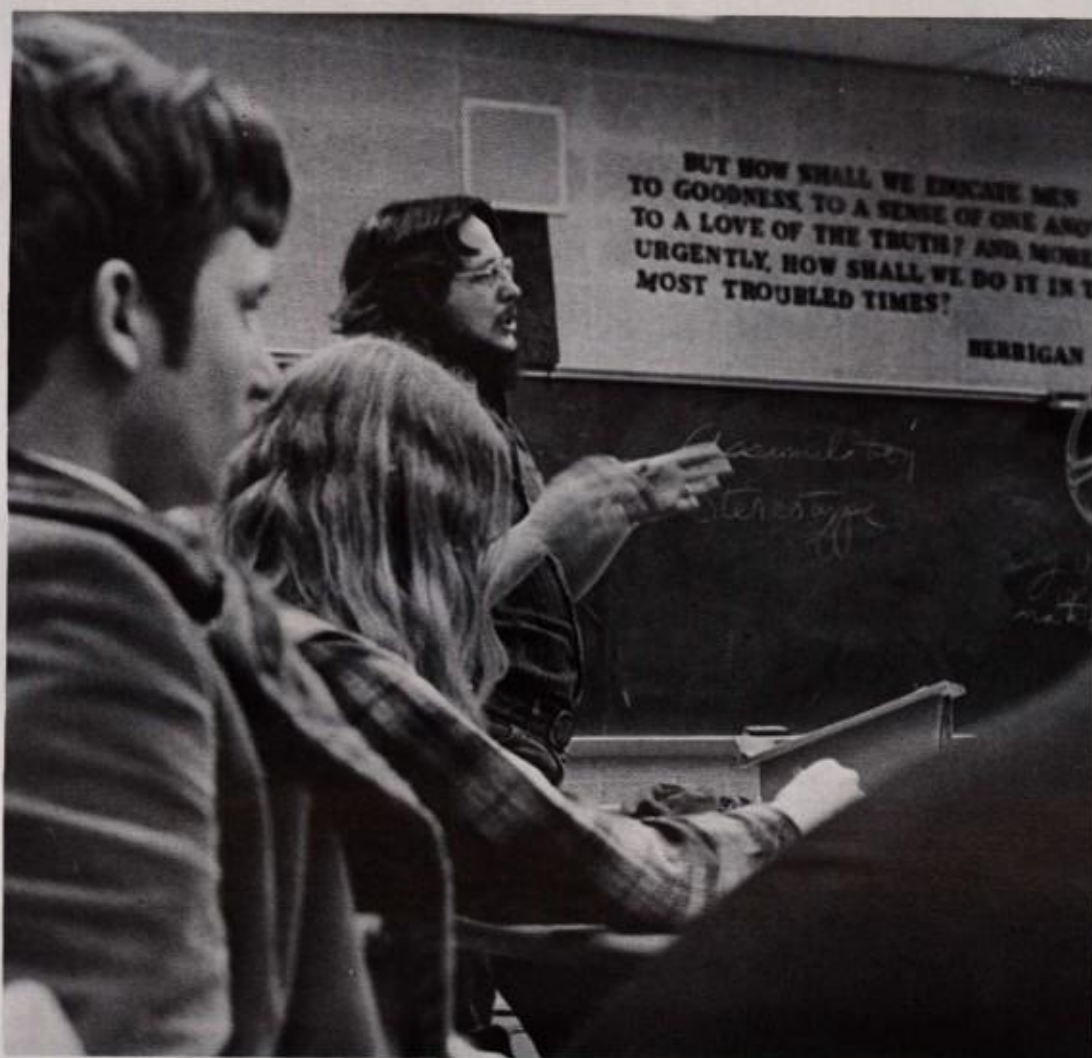

Enthusiastically, Terri Whitney and John Weaver experiment with various astronomy calculations.

Historical Value In New Classes

A weekend trip to various historical sites in Kansas was one of the activities planned by the Kansas history students. Kansas history was offered as a new class in the Social Studies Department at Topeka West.

In addition there was a variety of nine-week and semester courses to choose from. Classes ranged from history classes to psychology and human relations.

Required courses in the department were U.S. History 1 and 2 and US government.

One of the 13 social studies instructors, Reeta Akins, concentrates on evaluating assignments during US history.

Pausing for a brief moment from taking notes in psychology students gaze dreamily into space.

During his historic visit to Topeka on Feb. 11, President Gerald Ford took a moment to speak to an enthusiastic crowd of Kansans on the capitol lawn.

Chargers Greet President Ford

President Gerald Ford's visit to Topeka made a definite impact on the residents and made history for many Topekans.

Many Topeka West students greeted the President at the capitol building February 11.

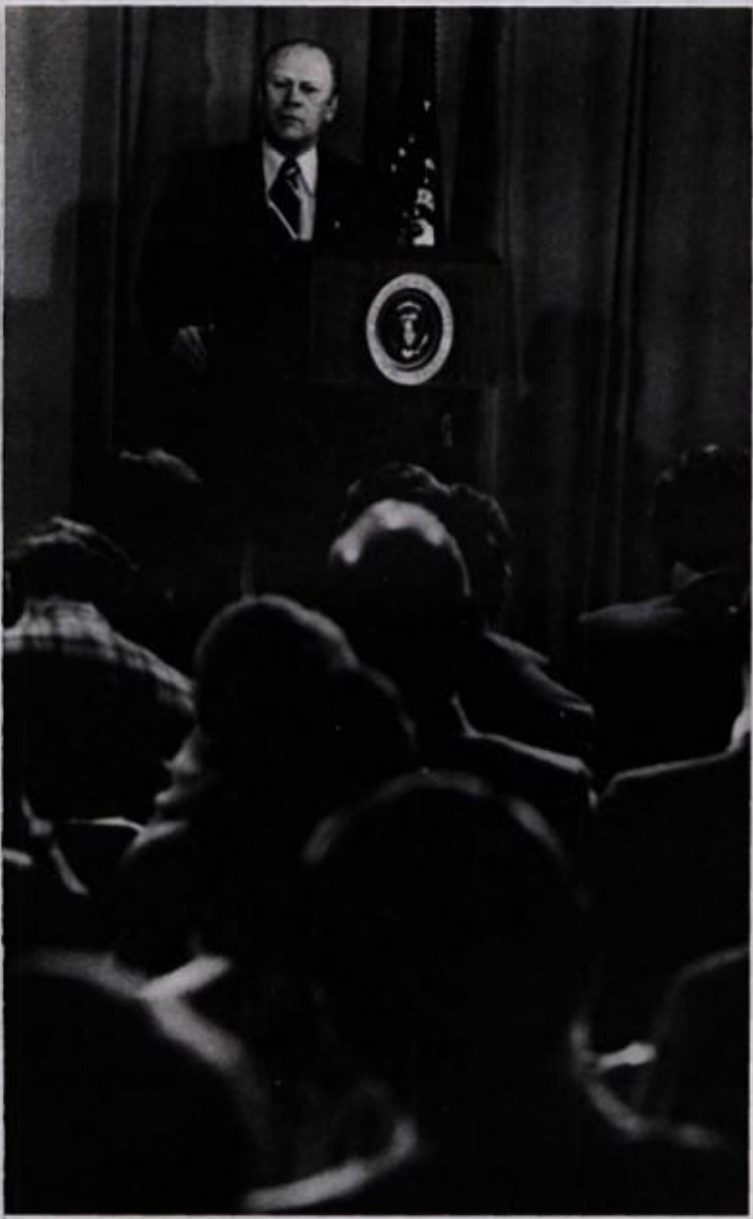

President Ford, standing on the Capitol steps, said, "I'm told that for the first time Topeka West, Topeka High and Highland Park bands are playing together today . . ."

After a speech to the legislature, lunch at Cedar Crest with 12 Midwest governors and an evening press conference, President Ford flew to Washington, D.C.

Music Involves Many Students

Lovely music came floating out of the vocal music room, located in the south hall of A Building. Its sources were the Topeka West Singers, Choralaires, Chamber and Charger Choir, and Boys', Girls' and Mixed Choruses. They were under the direction of Forrest Davidson.

The Choralaires wore long burgundy dresses. Singers outfits consisted of long red dresses and white dinner jackets with black slacks.

Drivers Head For The Road

As people were seen fleeing from the streets to an area of safety, the driver education car could be seen in the distance. Many students took the driver education class that Topeka West offered.

The class required 12 hours simulator, 3 hours of driving, and 30 hours of classroom. Teachers were John Griebat and Jack Wiley.

Driver education teachers spent a lot of time teaching new road signs and road markings. The classes were also taught about maintenance and care of their cars.

Jack Wiley gives two anxious students a few last minute warnings and instructions before venturing out into the lively world of driving. Actual driving helped to boost students' confidence.

1974 Snow Ball Called 'Success'

"Christmas in Central Park: 1890's" was the theme of the 1974 Snow Ball dance. The dance, which was held in the gymnasium, was attended by approximately 300 Chargers.

Strolling into Central Park over a bridge spanning a babbling brook, Chargers were invited to an evening of dancing to the music of Glass Apple.

As the Chargers walked into the romantically lighted Park, they were guided through the sidewalks by lighted lamp-posts.

As the dance came to its close, the Chargers slowly crossed over the bridge back into reality.

Moving to the music of "Mike Ford and Dove," Topeka West women and their dates enjoyed the activities of the 1975 "Queen of Courts." During the halftime of the game with Shawnee Mission West, Jill Ecrement was crowned queen and reigned over the festivities with attendants MaryTeresa Doyle and LuAnn Martin. After the game, the couples went to the dance in the cafeteria, decorated to the theme of "Horizons", to spend a fun evening of dancing and talking with friends. Junior Varsity New To West

New to Topeka West were the Junior Varsity cheerleaders, consisting of senior and junior girls. The team was established to assist A Team and represent the Chargers at events not previously attended by West cheerleaders.

Leading cheers, smiling and showing true Charger spirit were this year's A Team cheerleaders. The team, composed of one senior and six juniors, cheered at varsity football and basketball games, swimming and cross country meets.

Encouraging the sophomore athletic squads was the goal of the B Team cheerleaders. The five girls also helped lead cheers at the varsity games.

Drill Team Adds To School Spirit

For the first time Drill Team was offered as a class — and the result was a more unified team and a greater variety of routines. "Rock Salt," "Kansas City" and "Mame" were among the many tunes the 40 girls performed to.

Clad in traditional purple and white, Drill Team entertained at home basketball and football games, the Homecoming parade and the KU Band Day.

Mrs. Linda Rogers, who resigned after her fifth year, taught the class and devoted additional hours to team projects such as a bake sale and Christmas Grams.

Asemblies Help Charger Spirit

For a rest during a busy day, assemblies were attended with enthusiasm by Topeka West students.

Raging from prominent political figures to the traditional Homecoming, Snow Ball and Queen of Courts assemblies, a variety of subjects were covered to keep student interest.

Former Kansas City Chief linebacker Willie Lanier spoke to students on "Born To Win." Mrs. Martha Keys, later elected U.S. Representative, explained her political platform to students.

Pep assemblies and athletic assemblies upheld the sports and spirit aspect of school life.

Music and theater departments also sponsored special assemblies for the benefit of students.

In an assembly two students from each class were to sing the school song, but only seniors Laurie Marvin and Richard Greene could do it.

Vampires Invade Charger Land

The first fall play, "Dracula," was produced from an adaptation by Phil Grecian, '66, who works with the Topeka Bath House Players at Gage Park. The play, which dwells on the terror and suspense of vampires, required four weeks to rewrite and two weeks to polish.

In the words of the playwright, who saw the last showing, "It was a very good high school performance."

The play was directed by Mrs. Mary Doveton and Jay Ives.

“Crucible” Tries Salem Witches

The hysteria and panic of the Salem witchcraft trials was felt once again as the theater department presented Arthur Miller's “The Crucible” on November 22 and 23. The skillful efforts of both the cast and crews helped to produce a real feeling of hectic nervousness, which depicted the grim days in Salem. Based on actual trial records of the proceedings, the play gave viewers a greater historical awareness and at the same time allowed the audience to spend an enjoyable evening.

Musical Receives Standing Ovation

Part of New York came to the Topeka West stage on Feb. 22, 23, 25, 26, 28 and March 1 in the musical production "West Side Story."

The setting is a New York slum, where young lovers Maria and Tony are trying to find a place between two feuding factions. The boy is from a street gang called the Jets, and the girl is connected with a Puerto Rican gang called the Sharks.

Continual antagonism between the two gangs soon grows too great for the young lovers and ends in the tragic death of Tony in the arms of Maria.

Long, hard hours of work went into the making of a good musical, which was difficult to produce because of the complex music and dancing.

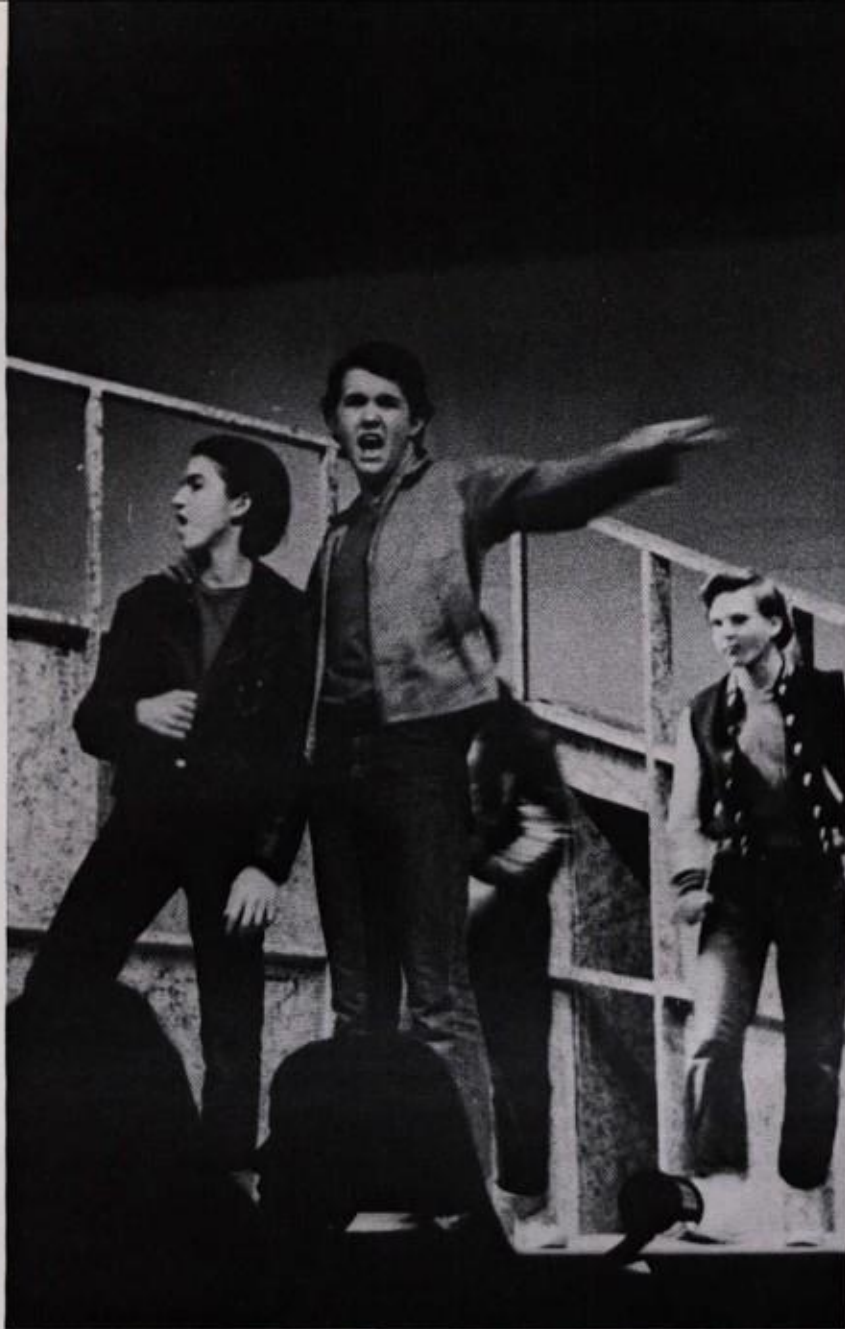

A meeting of the War Council between enemies Bernardo and Riff is interrupted by Lt. Schrank.

Work Calls Use Charger Talent

Behind the many productions and activities at Topeka West are the unheralded tasks done during work calls. For "Dracula," "The Crucible," and especially for the musical "West Side Story," students combined their talents and craftsmanship in building the sets and setting up light design.

Students also used their artistic ability to decorate for Homecoming, Snow Ball, Queen of Courts, and the Junior-Senior Prom. Working at the different tasks provided students with useful experience and helped to bring everything to a successful completion.

Chargers Capture State Title

Topeka West cross country coach Joe Schrag had every reason to be optimistic about the 1974 season. The entire team that captured fourth in the state in 1973 was returning for another season. His runners didn't let him down. They swept every meet and brought the title of State Champions to Topeka West.

The Chargers placed first of nine teams in their first meet, the Wamego Invitational. In the Emporia Invitational they took the first six places, beating three other teams for first.

In the Topeka West Invitational, all seven Charger runners finished in the top 10, with senior Bill Myers finishing second to lead the team.

Myers was also the top runner for the Chargers in the next two meets, the Marysville Invitational and the Junction City Invitational, which West won to remain undefeated.

The city meet was no contest as the Chargers took the top seven places. The Sunflower League meet was only slightly more difficult as the Chargers took five out of the top 10 spots, winning the league title for the first time ever. In the regional meet West placed first with all seven runners in the top 11.

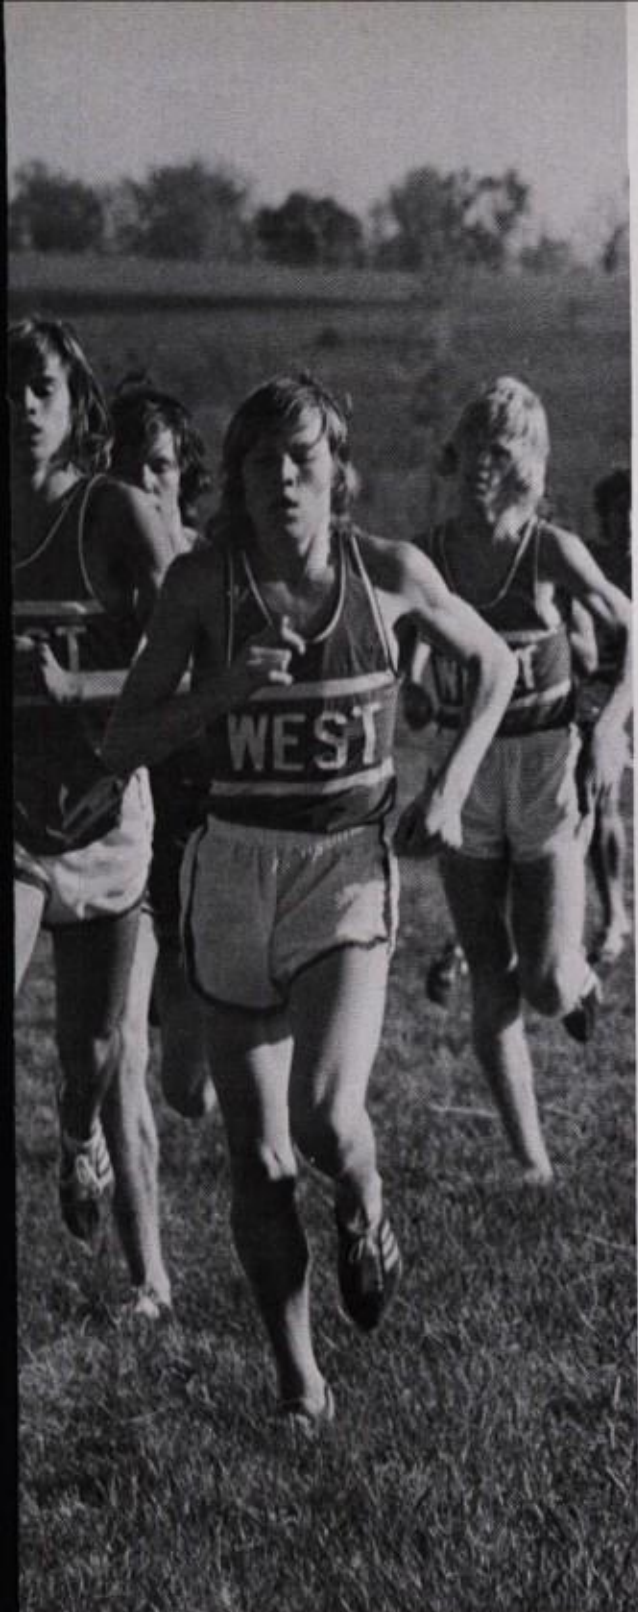

The state meet, held at the Salina airport course for the ninth straight year, proved to be the harriers' toughest challenge. West could put only five runners in the top 20, but that was easily enough to take the state championship.

Dave Folz led the team by placing fifth. Tom Vernon placed tenth, Kendall Smith took thirteenth, Myers sixteenth, and Tim Powell seventeenth. The season's ninth straight team effort by the Chargers gave them the Kansas 4-A State Championship.

West's Doubles Teams Consistent; Girls Conquer City, Regional Meets

The Topeka West girls' tennis team, in its fourth year, won its third straight regional championship and sent the doubles teams of Lisa Beymer — Mary Stauffer and Cynthia Rischer — Kathryn Triplett to the state meet along with singles player Dawn Daniel.

The Chargers lost the first meet of the year with S.M. North by winning two doubles matches but losing three singles matches. At Lawrence, the doubles matches won again and Daniel won to give West a 3-1 victory.

Against cross-town rivals Topeka High, the doubles teams remained undefeated while the Chargers won one out of three singles matches for a 3-2 victory.

At the Arkansas City meet, the Stauffer — Beymer team placed first in A team doubles, while the Rischer — Triplett team placed second in B team doubles. Daniel placed second in A team singles, and Susan Frydrych placed third in B team singles. West swept the Junction City meet with a 4-0 victory.

In the Hutchinson Invitational, West placed third out of 16 teams, with the doubles team of Beymer — Stauffer taking first place.

The Chargers captured the city meet, hosted by Topeka High, with the Beymer — Stauffer team placing first, followed by Rischer — Triplett in third. Daniel took second in singles, followed by Mary Weiser in fourth.

At the Sunflower League meet, the Chargers placed third, with the team of Beymer — Stauffer taking first and the Rischer — Triplett team capturing third. Daniel placed sixth in A team singles, and Weiser took third in the B division.

The doubles teams again took first and third in the regional meet, and Daniel placed second in singles. All five girls qualified for the state meet, where Stauffer — Beymer placed second in doubles. Daniel and the other doubles team lost in the first and second rounds, respectively.

Girls Place 1st At City Meet

Coach Cindy Heath's girls' volleyball team was highly skilled and very successful in 1974, but once again they failed to make the state tournament.

Only the first place team in each regional tournament goes to the state. West placed second, losing to Topeka High, whom they had beaten three times in previous matches.

In addition to Topeka High, West had beaten SM North, Perry-Lecompton, Emporia, Lawrence, SM Northwest, Hayden and Highland Park. They lost to SM South and to Lawrence in a rematch at the Highland Park Invitational, when the squads were battling for first place.

The Chargers captured first place in the city meet at Highland Park but managed only seventh place in the one-game round-robin Sunflower League tournament.

West fought its way into the finals at the regional tournament, but in their fourth match of the season against Topeka High they lost 15-12, 10-15 and 12-15.

Using perfect form, Charger Marti Metzler tosses the ball into the air for a serve.

Charger Defense Holds Hayden; Offense Dominates Topeka High

Trying to get onto a winning track, second year coach Cecil Wichter incorporated several changes into his 1974 Topeka West Charger football team. He put the defensive unit into a stunting 6-2 formation, which was designed to create blocking problems for the opposing offense; and he instituted the platoon system, a policy most colleges and professional teams use, in which a player plays either offense or defense, but usually not both.

As a result of these changes, the defense became the strong point of the team. Most of its starters were returning lettermen. The defensive line was seasoned and capable, and they were supported by a hard-hitting, experienced backfield.

The offense, on the other hand, had only three returning starters, all in the backfield. The offensive interior line averaged 45 pounds lighter than the huge line of the previous year. Success of the Charger wishbone offense seemed to depend largely on the ability of these inexperienced linemen to control the brutal Sunflower League teams that they would face.

TOPEKA WEST 23 HAYDEN 0

In the season opener against Hayden, the Charger defense was unyielding as West walked away with a shutout victory.

Senior linebacker Randy English scored the first touchdown of the season on a 74-yard fumble return. Other scores came on Doug Anderson's 30-yard field goal, Pat McCoy's recovery in the end zone of a Wildcat punt blocked by Mark Young, and on fullback Duane Peterson's 44-yard run. Anderson also added two extra points. Peterson claimed rushing honors with 71 yards.

TOPEKA WEST 31

TOPEKA HIGH 19

The Chargers were probably as emotionally "up" for the Topeka High game as it was possible for them to be. That may explain why, in the midst of all the excitement, as assignment was missed on the opening kickoff, allowing a Trojan to run the ball back for a touch-

down. The runback could have caused the Chargers to give up, but it only calmed them down.

West's offense, unable to move effectively against Hayden, started rolling early by marching to the Trojan 10-yard line before a fumble ended the drive. Topeka High handed the ball right back on their own five, and three plays later, Tony Starr scampered in from the one to tie the game at 7.

Topeka High scored again but the extra point was blocked. After two more Charger touchdowns, West led at halftime 21-13.

The Trojans brought the score to 21-19 after a Charger fumble on the West 32, but from then on the Chargers controlled the game, scoring on a six-yard run by Tony Starr and on a 22-yard field goal by Anderson to seal the game, 31-19. Starr led the Charger wishbone attack with 86 yards in 20 carries.

The Chargers did not pass much this season, but Glen Blackwell hauls in this one.

Charger Winning Streak Turns Into Losing Season

TOPEKA WEST 7 HIGHLAND PARK 22

The Chargers were riding on a cloud after their victory over arch-rival Topeka High. West's student body rallied behind the team and sent an exceptionally large cheering section to the away game.

The team was confident and enthusiastic going into the game, but it also realized that it would be facing an offensive threat it hadn't seen yet in the season — breakaway speed. The Chargers would have to stop the Scot running backs before they could reach top speed if West were to have any hope of winning this game.

The Charger defense did the job for most of the first half, but West's wishbone couldn't move on the Scots. With less than five minutes remaining in the first half, the score was still 0-0. Highland Park finally scored with 4:25 remaining in the second quarter to take a 7-0 halftime lead.

The Scots dominated the second half, scoring twice. The outcome of the game was already decided when Duane Peterson ran for three yards and a touchdown.

TOPEKA WEST 0 SM SOUTH 17

The Chargers held defending state champions South to a scoreless tie for the first three quarters of this Sunflower League game, but the Chargers were fighting both South and their own mistakes, and West went down to its second defeat of the season.

Twice in the second half the Chargers had the ball in scoring position, but holding penalties stopped both drives. South scored two touchdowns early in the fourth quarter, but the Chargers wouldn't give up. They were on the South nine before two straight quarterback sacks stopped the drive.

TOPEKA WEST 3 SM WEST 27

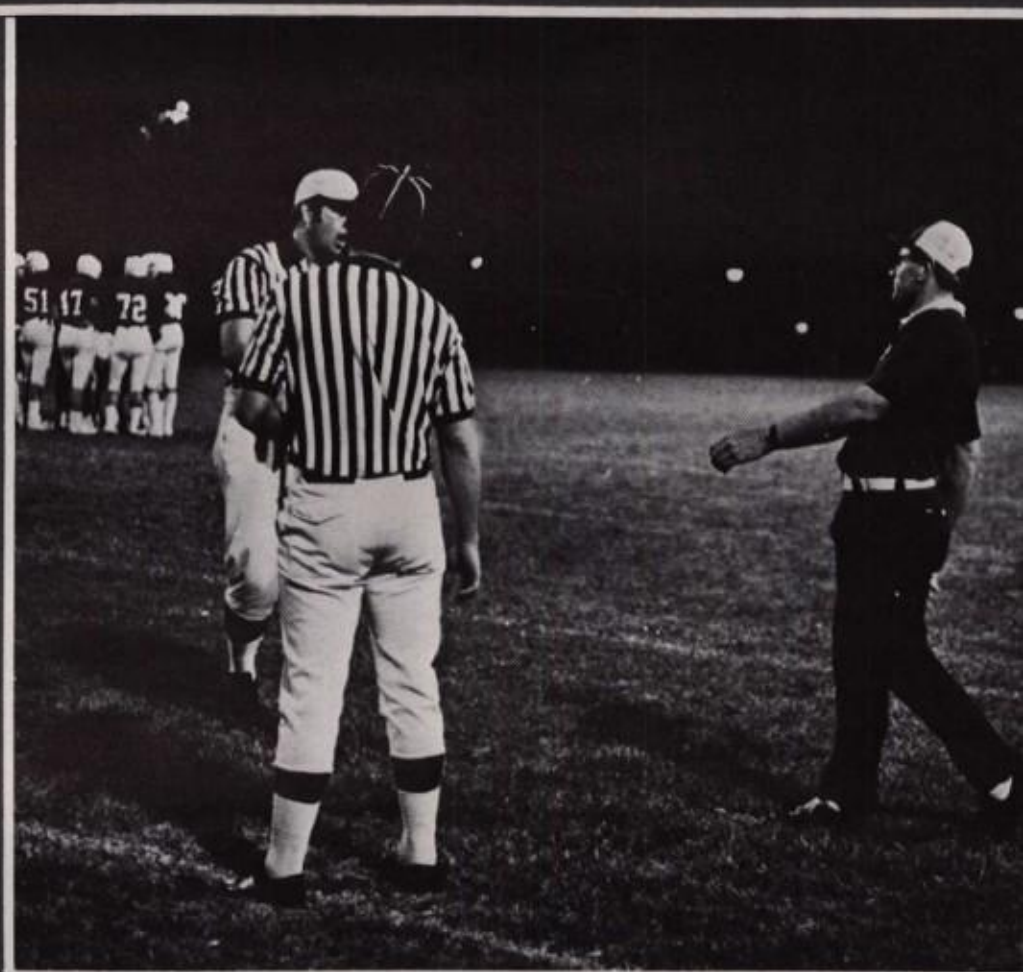

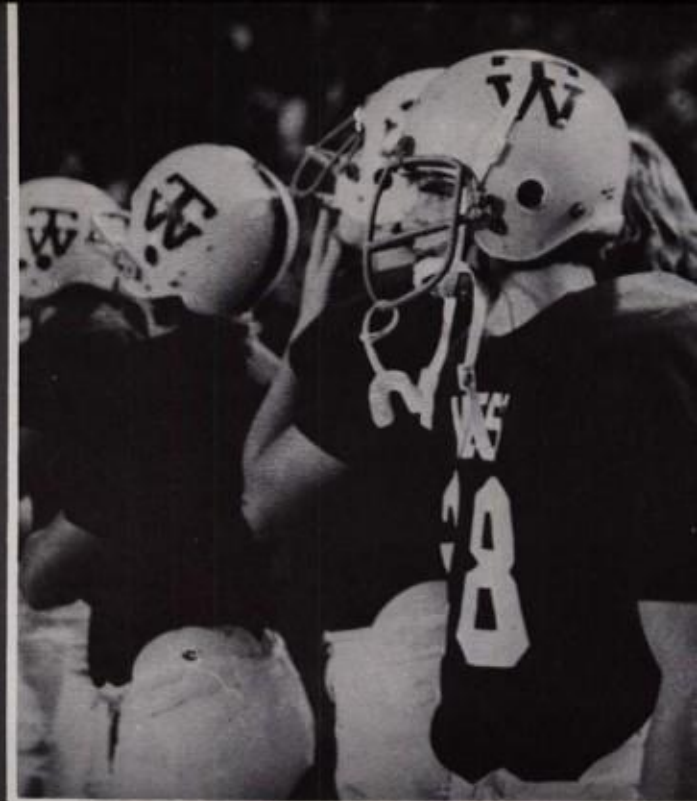

West had held second-ranked SMW to only six points when defensive end Pat McCoy recovered a fumble on the Viking 14-yard line. The Chargers advanced the ball nine yards on three carries and had a fourth and one on the five. The fourth carry netted the needed yardage, but the Chargers were called for illegal procedure, which took the ball back to the 10-yard line. West was forced to kick a field goal, and that 27-yarder by Doug Anderson was the only score West would have. The Vikings dominated the second half and finally won 27-3.

TOPEKA WEST 14 SM NORTHWEST 20

Northwest took advantage of Charger mistakes in the first half and jumped off to a 20-0 lead. West came back with a second half rally, shutting off the Cougar offense and grinding out yardage primarily with the counter-option play. The Charger bid was too late, though, and when time ran out the score was 20-14.

Charger Comebacks Fall Short; Season Ends with 2-7 Record

TOPEKA WEST 14

LAWRENCE 21

After being dominated for the first three quarters, the Chargers, trailing 21-0, launched another comeback. Reserve quarterback Steve Mueller, who entered the game when Jeff Bakalar sustained a knee injury, directed a scoring drive of 72 yards in 12 plays.

Duane Peterson and Paul Spencer, who replaced Doug Conwell when Conwell's back was injured in the first half, did most of the running to set up Tony Starr's three-yard touchdown run.

Defensive end Mark Young scored West's second touchdown on a 34-yard fumble recovery. After getting the ball back, kicker Doug Anderson faked a punt and threw a 29-yard pass to J.D. Ecrement. A face mask penalty moved the ball to the Lions' 29 with 1:13 left.

On the next play, however, Lawrence was more alert and Mueller's pass over the middle was intercepted to stop the Charger scoring bid.

TOPEKA WEST 7

SM EAST 26

West made its third straight comeback bid after falling to an early deficit in this tornado watch-delayed game played at Seaman's Logan Field.

The Chargers, down 13-7, were driving for the tying score when a bad pitch handed the ball to East at midfield. They went on to score on that possession and scored again after a bad snap from center made Charger punter Doug Anderson chase the ball all the way back to his own six-yard line before being tackled.

TOPEKA WEST 7

SM NORTH 40

The Chargers quickly fell behind to the state's number one ranked team and could not put together a comeback in their last contest of the season.

The only highlight for the Chargers came in the second half when Mark Young blocked a punt. West bobbled the ball until defensive tackle Bob Reece gathered it in and stormed 25 yards for the touchdown.

The Chargers finally lost, 40-7, to end a disappointing season with a 2-7 record.

Girls Win City, Place 5th In State

Led by steady all-around performer Pegeen Murphy, the girls gymnastics team, under Coach Cindy Boyles, won the city championship, placed third in the Sunflower League meet, placed first in the regional meet, and placed fifth in the 4A state meet.

In duals and triangulars the girls lost to Lawrence but beat Highland Park, SM Northwest, Washburn Rural and Shawnee Heights. They won the Washburn Rural Invitational, placed third at the Topeka High Invitational, won the Topeka West Invitational and placed third in the Sunflower League meet.

In the city meet, Murphy captured three firsts and two seconds, Melanie Martin took a first and a second, Krissy Jones placed third and fourth, Sandy Tawney placed second, Kathy Raine took third, and Martha Sohl, Melinda Odell and Betsy Matalone each placed fourth.

At the Sunflower League meet, Murphy took a second, a third and two sixths, while Jones and Martin placed fourth and fifth in vaulting.

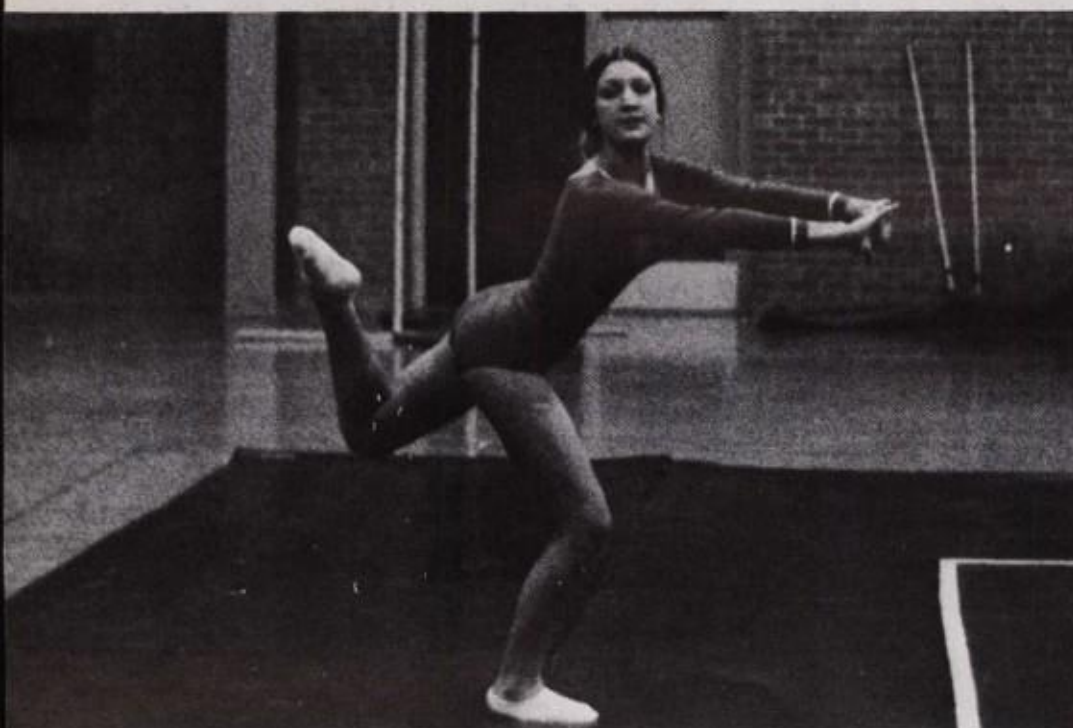

At the regional meet, Murphy, Martin and Jones placed 1-2-3 in floor exercise, Murphy

and Karen Crawshaw placed 1-2 on the uneven bars, Murphy, Martin and Jones placed 1-3-4 in vaulting and Tawney and Murphy placed 1-2 on the balance beam.

At the state meet, Murphy placed fifth in floor exercise and fifth in all-around.

Boys Place 3rd In 4A Tourney

The boys gymnastics team broke every school record this year and placed higher in the state meet than any other team in Topeka West history. The Chargers placed third in the city, seventh in the Sunflower League, third in the regional and third in the state meet.

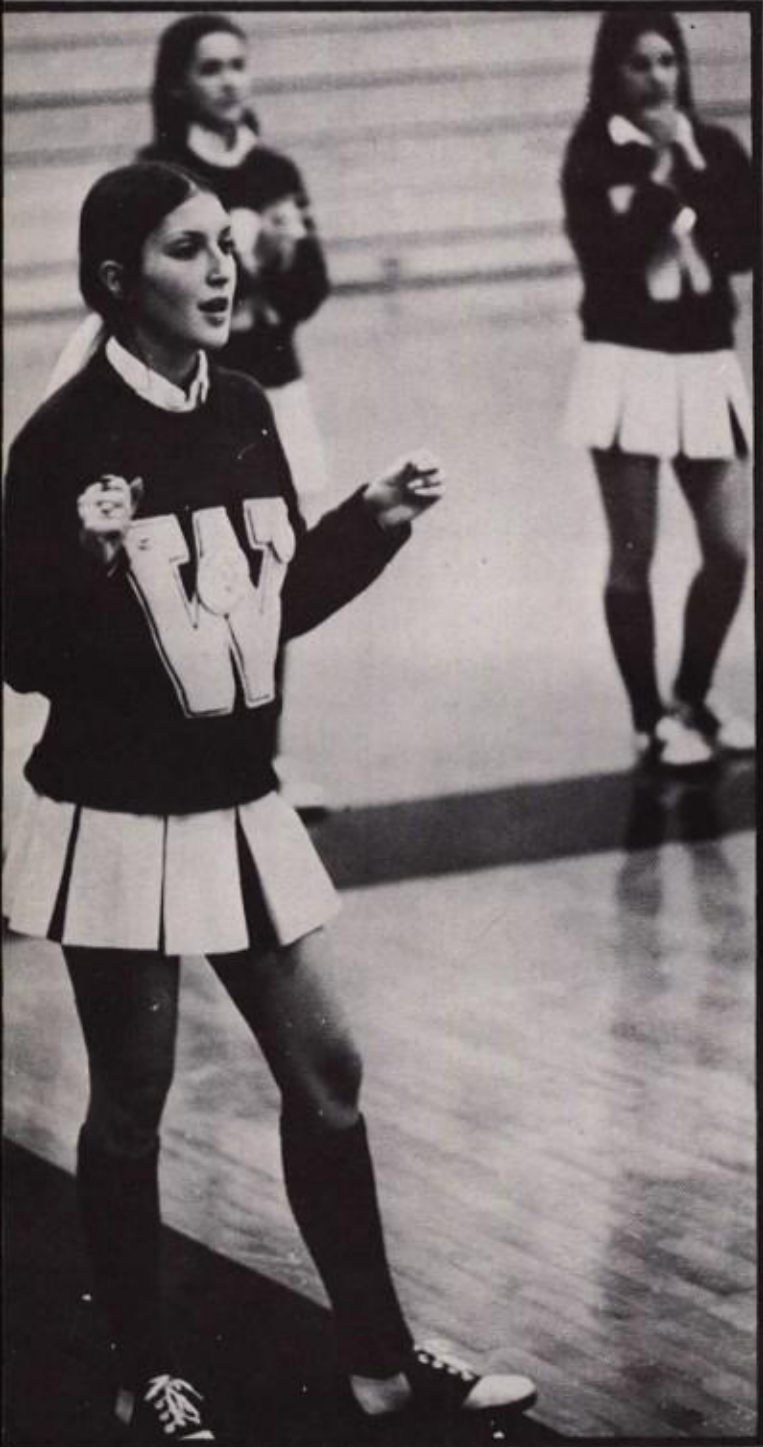

In the season's only dual meets, the Chargers beat SM Northwest but lost to Washburn Rural. In invitational competition, the Chargers placed third at Washburn Rural, fourth at Highland Park and at Topeka West, fifth at Lawrence, sixth at Topeka High and seventh at Olathe.

At the regional meet, Greg Miller qualified for state competition with a third, a fifth and a seventh. Mike Stewart placed third, sixth and seventh to qualify, Doug Conwell took second and Steve Jansen placed fifth to qualify individually. West also qualified as a team for the state.

At the state meet, Stewart placed third in high bar and fourth in all-around, Miller placed fourth in the vault and Jansen took seventh in floor exercise.

McKee Leads West In State

Led by defending state champion Jeff McKee, the Topeka West wrestling team had a successful season with a 6-2 dual meet record and an 11th place finish at the state meet.

The Chargers' only losses were to Leavenworth in a close contest and to Emporia. They placed second at the Highland Park Invitational, second at the Sunflower League meet and third at the regional meet.

At the league meet, McKee and his younger brother Jay both captured first place. Tony Starr and Rick Fry placed second.

At the regional meet, McKee placed first, Starr and Ron Harding placed second. At the 4A state meet, McKee retained his title of state champion while Starr captured third.

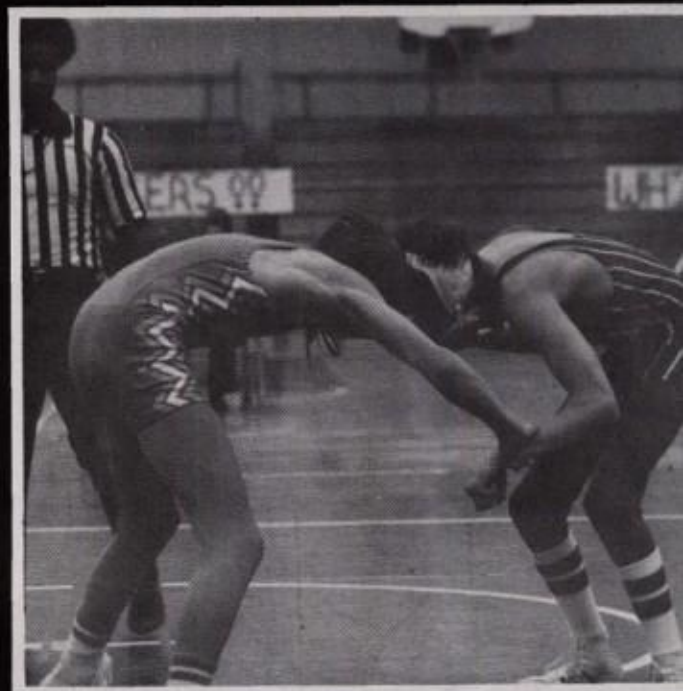

New this year was the grand state meet, which pitted the top four wrestlers in each weight class of each of the state's five divisions against each other. Both McKee and Starr qualified for competition, but McKee lost in the second round and Starr lost in the semi-finals.

Tozer Takes Chargers To State

For the Topeka West swim team this year, everything was changed, but nothing was changed.

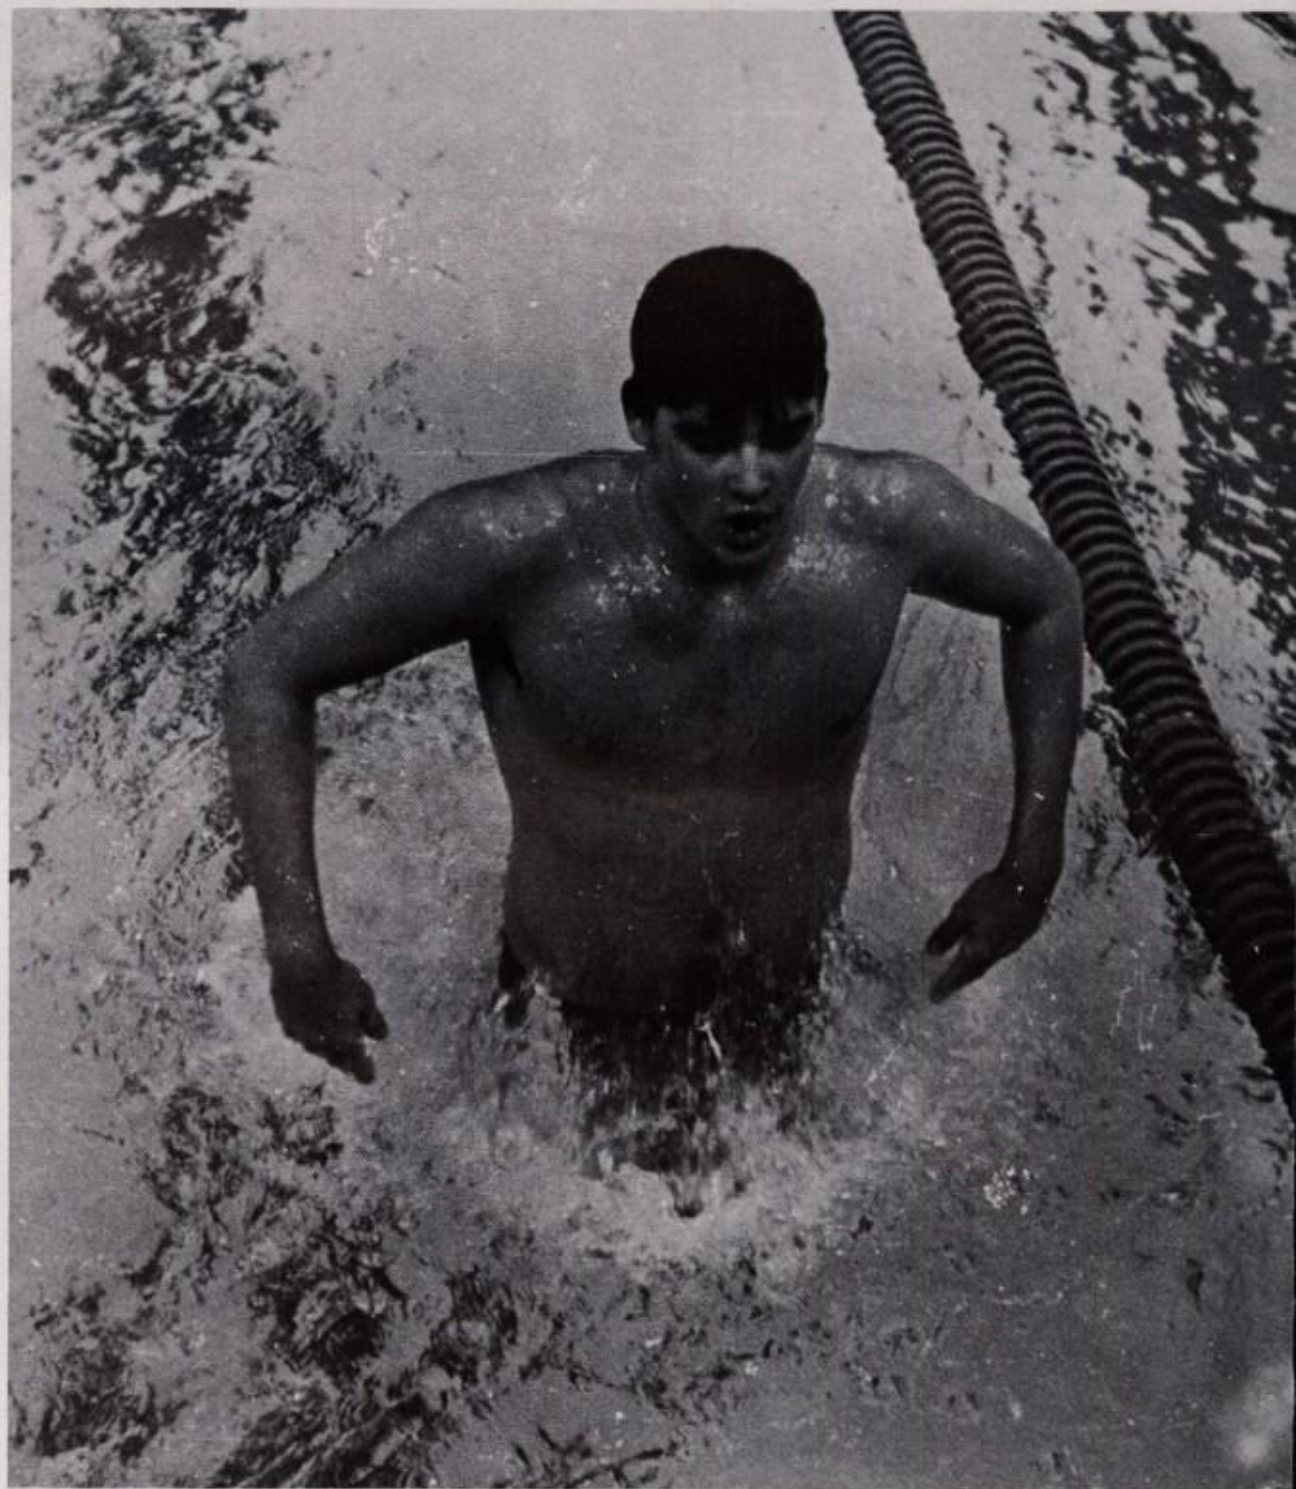

True, girls were competing alongside the boys this year for the Chargers, and they made considerable contributions to the team, but once again it was Bob Tozer who singlehandedly placed West fifteenth in the state with a ninth place finish in the 100-yard backstroke.

The Chargers ended the season with a 5-6 dual meet record, over 50 per cent better than last season, and the girls shared some of the load. No fewer than five times this season either Paula Smith or Heidi Harris finished first in her event, ahead of both her male teammates and male opponents, and both girls placed consistently all year.

In the Salina 4A Invitational, which is equivalent to a state 4A championship, the Chargers placed fourth with Bob Tozer

placing second in the 100-yard backstroke and third in the 200-yard individual medley.

The Chargers placed seventh in the Sunflower League meet, with Bob Tozer placing third in both the 100-yard backstroke and the 200-yard individual medley and Paula Smith placing fifth in the 500-yard freestyle.

Short And Inexperienced Chargers Stumble Through Early Contests

Lacking in height and experience, the Charger basketball team started the season optimistically but against heavy odds. Junior Matt DeMarco was the tallest player at 6-4, and the Chargers' only returning letterman, senior Kevin Smith, left the team after four games, but Head Coach Mike Swartz was hopeful, complimenting the positive attitude of his players.

The team's first trial was at Hayden, the preseason favorite in the Centennial League. The Wildcats lived up to their expectations and won, 78-65, despite junior Wayne Warner's 20 points.

In their second game, the Chargers faced a taller Junction City team and lost, 61-50. Smith was leading scorer for the Chargers with 21 points.

Tied at 40 with Topeka High after three quarters, the Chargers were outscored 32-13 in the final period to lose, 72-53. Peterson was high scorer for West with 17 points.

Neither Highland Park nor West had won a game previous to their first match, but the Scots played tough defense in the second half and controlled the boards to win their first, 51-41.

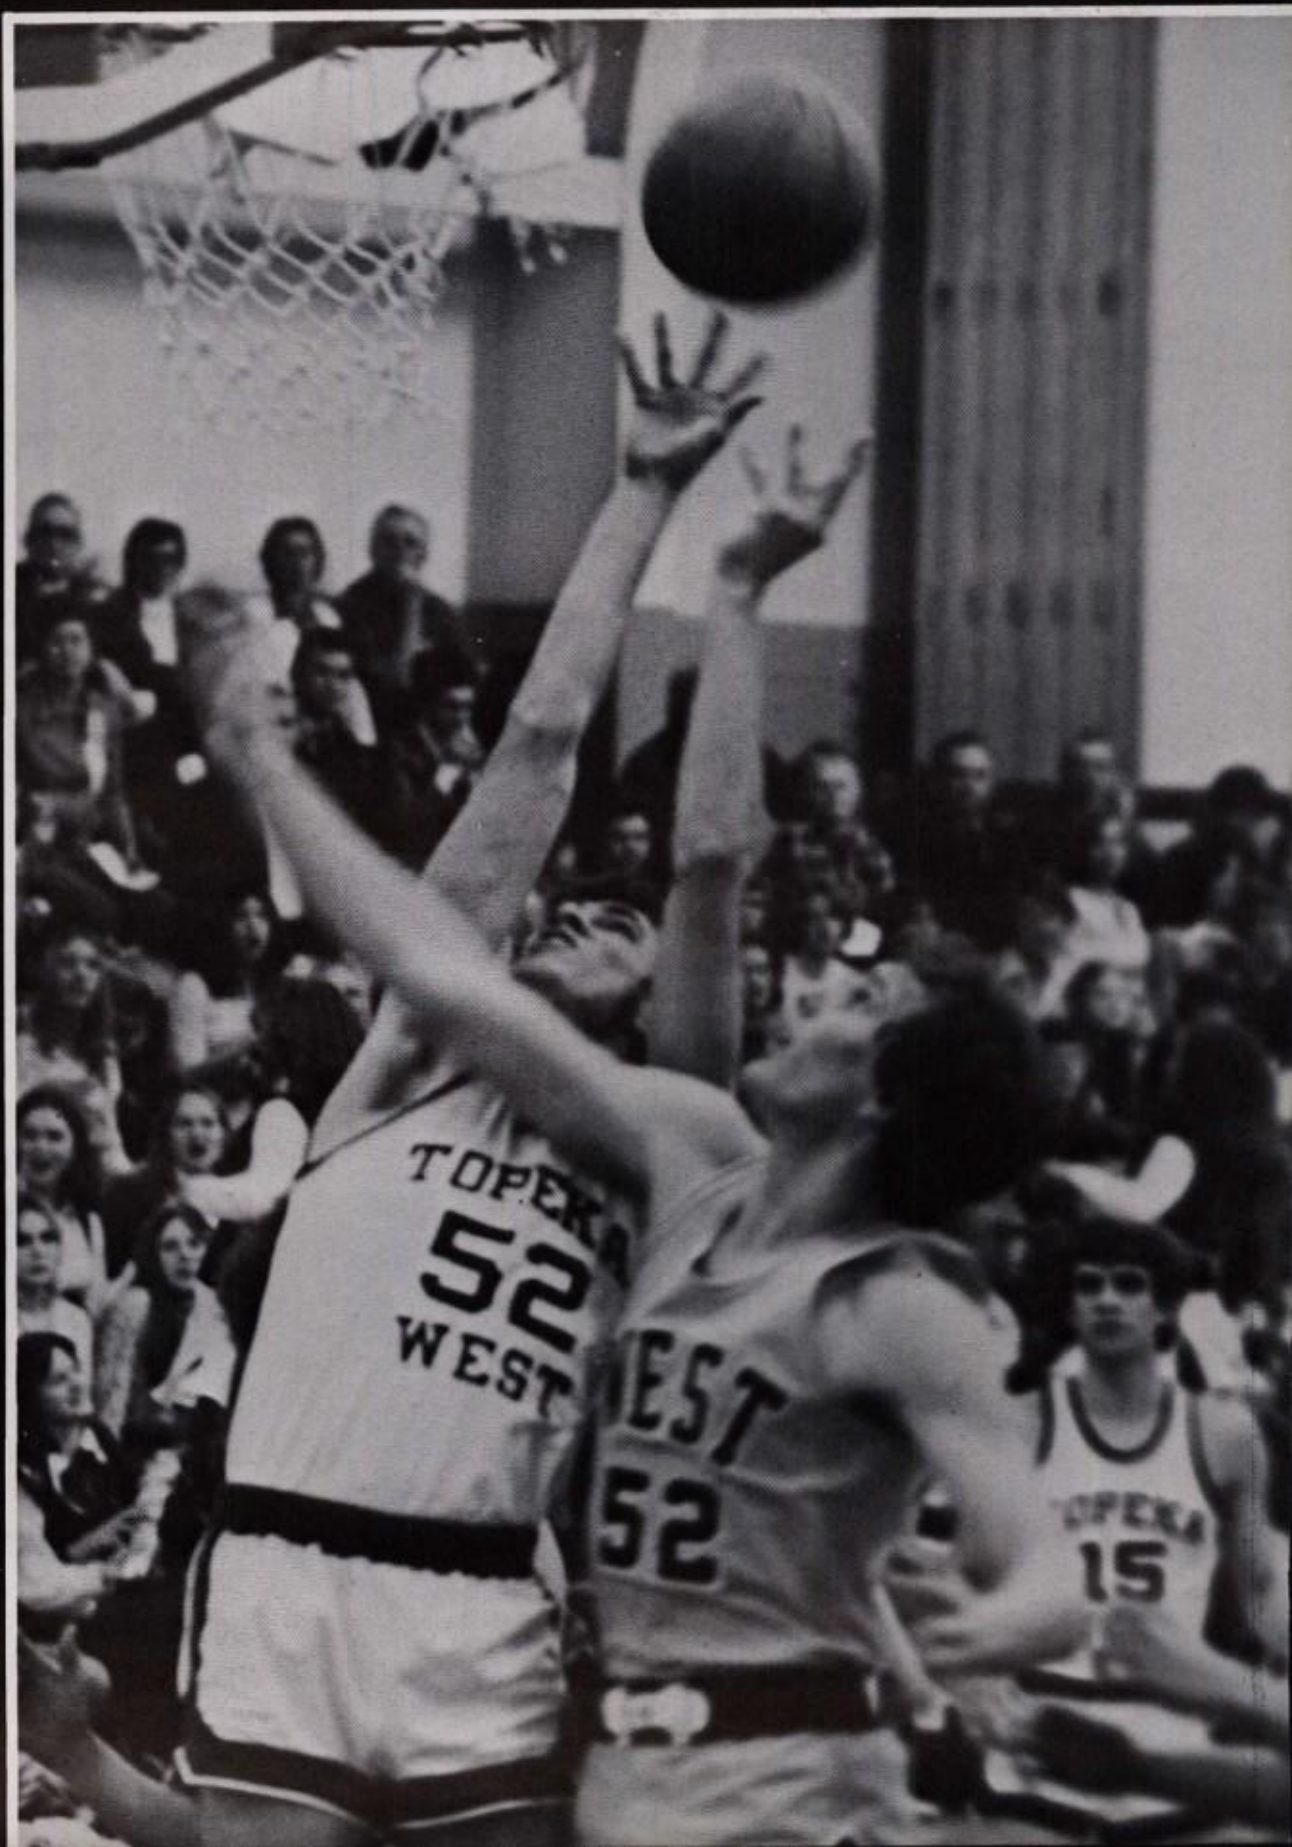

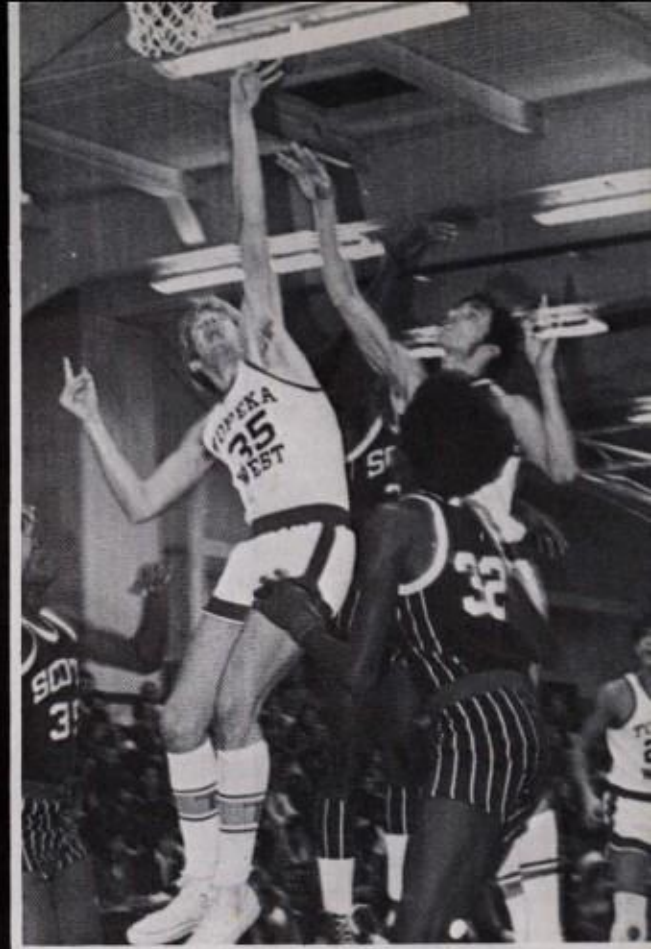

In a rematch, the Wildcats again lived up to their reputation as the Chargers lost to Hayden 81-63.

The Chargers, still looking for their first varsity win, found themselves trailing an awesome Seaman team 44-21 at halftime of their sixth contest. Unable to come back, West lost 70-47.

Against SM North, Warner poured in 34 points, but the Chargers could not overcome the Indians' depth and balance of attack and lost, 77-67.

After seven straight losses the Chargers finally got to play ri-

val Topeka High on West's home court. After being tied at halftime, the Chargers fell behind in the second half but launched a fourth quarter rally that put them within a point with three seconds left. West never got the ball back, though, and lost 57-52. The Chargers had given their most balanced attack of the season with Warner scoring 20, Peterson 18 and Lundstrom 10.

West Upsets Lawrence In TIBT

After the good showing against Topeka High, the Chargers played two games in which they never threatened their opponent. Seaman outbounded the Chargers 42-19 and easily won 76-56, while SM South smothered West's offense, holding Warner to two points and forcing the Chargers to shoot only 23 per cent to win 68-35.

In the first round of the Topeka Invitational Basketball Tournament, the winless Chargers were seeded last and paired to play first seeded Lawrence, ranked third in class 5A. The team rose to the occasion and led at halftime, 42-39, with Warner scoring half of West's total. The Chargers led 73-62 with four minutes left, but they went cold. Matt DeMarco's free throw with 43 seconds left was the only other point the Chargers could score, but it was enough to give the Chargers an upset victory, 74-73. Warner finished with 28 points, Peterson 19, Mark Crow and DeMarco 10 each.

In the next two rounds of the tournament, the Chargers did not fare as well. For the third time of the season, West lost to Hayden and to Topeka High. The Wildcats won, 74-49, and the Trojans topped the Chargers 80-68.

After placing fourth in the TIBT, West faced SM West. The Chargers were cold the entire game, shooting only 28 per cent, but they managed to take a 36-35 lead late in third quarter when the Vikings were having a shooting slump of their own. In the fourth period SM West finally started hitting, but the Chargers could not and lost 61-48.

Chargers Win Against SMNW

A tough 1-2-2 defense made Highland Park take most of its first shots from the outside in West's next game, but the Scots controlled the boards and took all the second shots they needed to win 61-49.

The next game turned out to be the battle for the Sunflower League cellar. In a true team effort, the Chargers downed SM Northwest 71-54. Warner scored 34, Peterson 17 and captured 21 rebounds and Crow played what Swartz called a "fantastic job" of defense in the Chargers' second win.

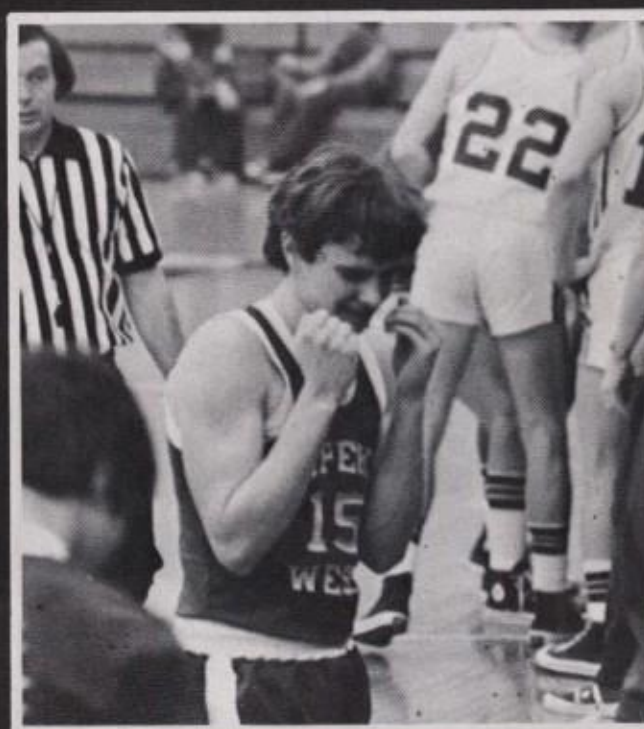

The next weekend, a Lawrence team got revenge on the purple and white on both Friday and Saturday night. On the high school level, it was Lawrence 85 Topeka West 49. The Jayhawks were not any nicer to the Wildcats.

Against SM East, the Chargers raced to a 26-14 first quarter lead but were outscored in each of the next three periods and finally lost, 82-71.

West had another fast start against Emporia, leading 41-29 at halftime and carrying a seven-point lead into the fourth quarter. They went cold in the final period and lost 68-65 despite a valiant comeback effort. Warner scored 25 points to set a new school season scoring record at 386 points, which beat Denny Payne's mark by 17.

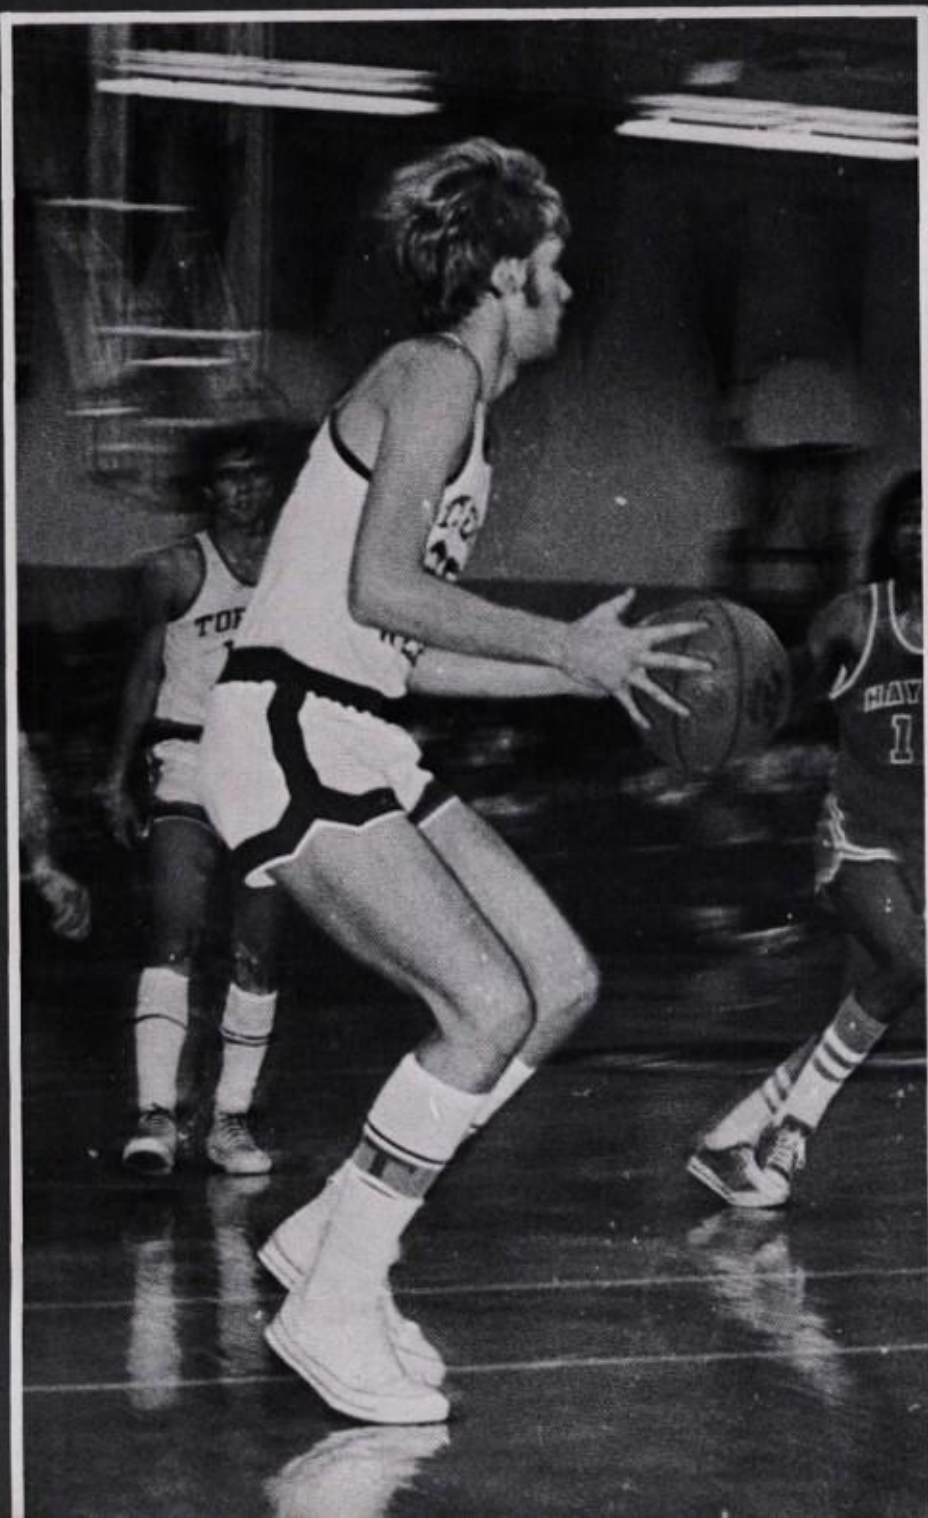

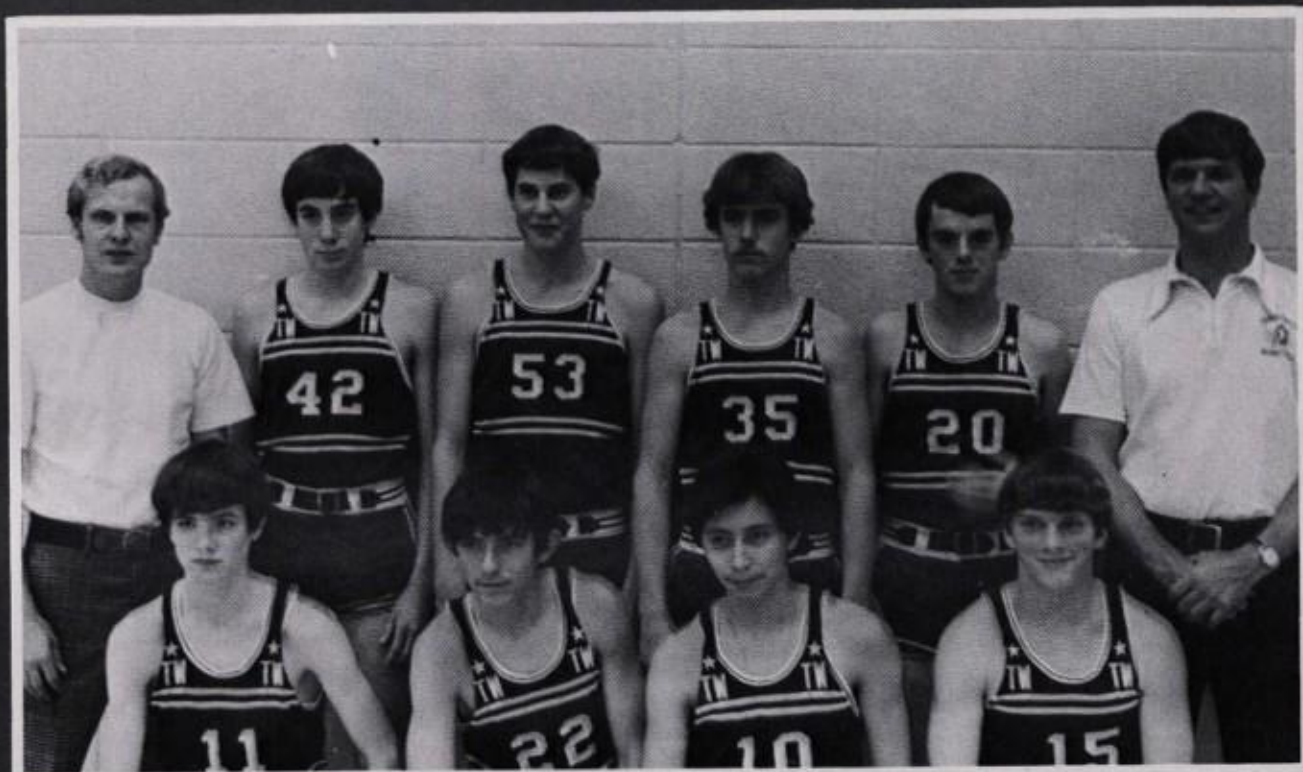

Before a small crowd in the first round of the class 4A sub-state tournament at Highland Park, the Chargers' disappointing season came to an end with a 49-40 loss to the Scots.

The Chargers' final season record was 2-18, the fewest wins by a varsity basketball team at West since its first year of competition, 1961-1962.

Juniors Assist Girls' Program

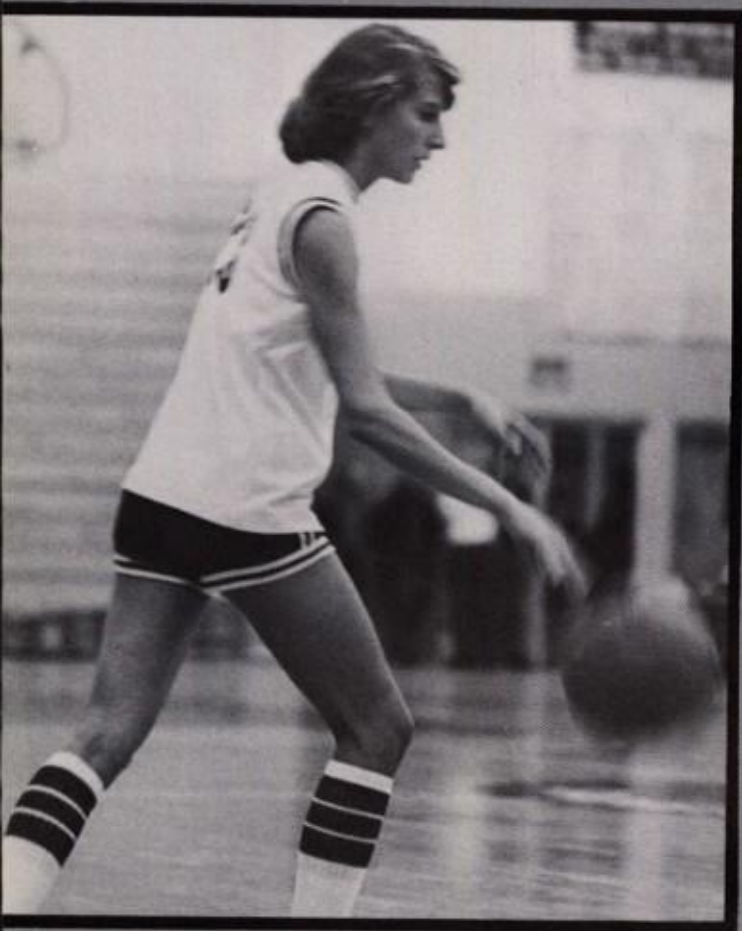

In its second year of competition, Coach Joe Schrag's Topeka West girls' basketball team fought a tougher schedule and played more games and ended the season with a 7-9 record.

Although this year's record was not as good as last year's, Schrag felt the girls' program at West was building, pointing out the fact that four starters in the last game of the season were juniors.

Leading the team in scoring this year was Mary Stauffer with 90 points. Junior Marti Metzler and senior Tracey Townsend led the team in rebounding.

Spirit Squad, Faculty Show Basketball Skill

A sidelight to the basketball season was the Spirit Squad-Faculty game, which was tied at 48 when regulation time expired. The faculty, led by the outside shooting of Jerry Wright and the rebounding of John Griebat, won in overtime 56-52.

The efforts of the Spirit Squad were led by seniors Brian Burkhead, Rob Herald, Steve Krueger and Bob Sanner. C School Asst. Prin. Terry Sandlin, who didn't participate, said, "I would have played if they were playing for fun, but these guys were really playing to win."

Election Has A New Flare

Elections had a new flare this year. The Shawnee County Election Commission donated four voting machines to Topeka West for use in school elections. The result was a bigger turnout for voting than in previous years.

All-school and class officers, little school representatives, and varsity and junior varsity cheerleaders were elected last spring.

Dinner Theater A Charger First

Through the combined efforts of the Theater and Home Economics Departments, "Don't Drink the Water," a comedy about American tourists trapped behind the Iron Curtain, was presented as West's first Dinner Theater April 11 and 12.

Long before the nights of the show, Foods 3 and 4 class began preparing by studying table decorations and silverware placement and finally selecting the menu. Technical problems, such as lighting and a portable stage, also had to be overcome before the Dinner Theater could become a success.

The 1975 Junior-Senior Prom was held in the Grand Ballroom of the Ramada Inn Downtown.

"Evening In The Tropics" was the theme for the Prom. One hundred fifty couples were escorted through palm trees to the tropical paradise by sophomore attendants wearing flower leis. Couples with

reserved seats in the balcony had centerpieces made of candles with flowers around them. Cookies and melon balls served with pineapples and strawberries were among the refreshments.

Last Race Upsets Chargers' Hopes

Led by the distance runners from this year's state champion cross country team, the Charger boys' track team had a vastly improved season and was not denied the triple crown of high school track until the last race of the year.

The Chargers won the cross

country title, the state indoor title, and probably would have won the state outdoor if a Charger runner had not been pushed and tripped in the last race at the meet, the mile relay.

Despite this misfortune, the Chargers had to be satisfied with their performances this year. Their worst finish was fifth place at the Sunflower League meet, but they finished in the top two in 8 of their 10 meets in which team points were kept.

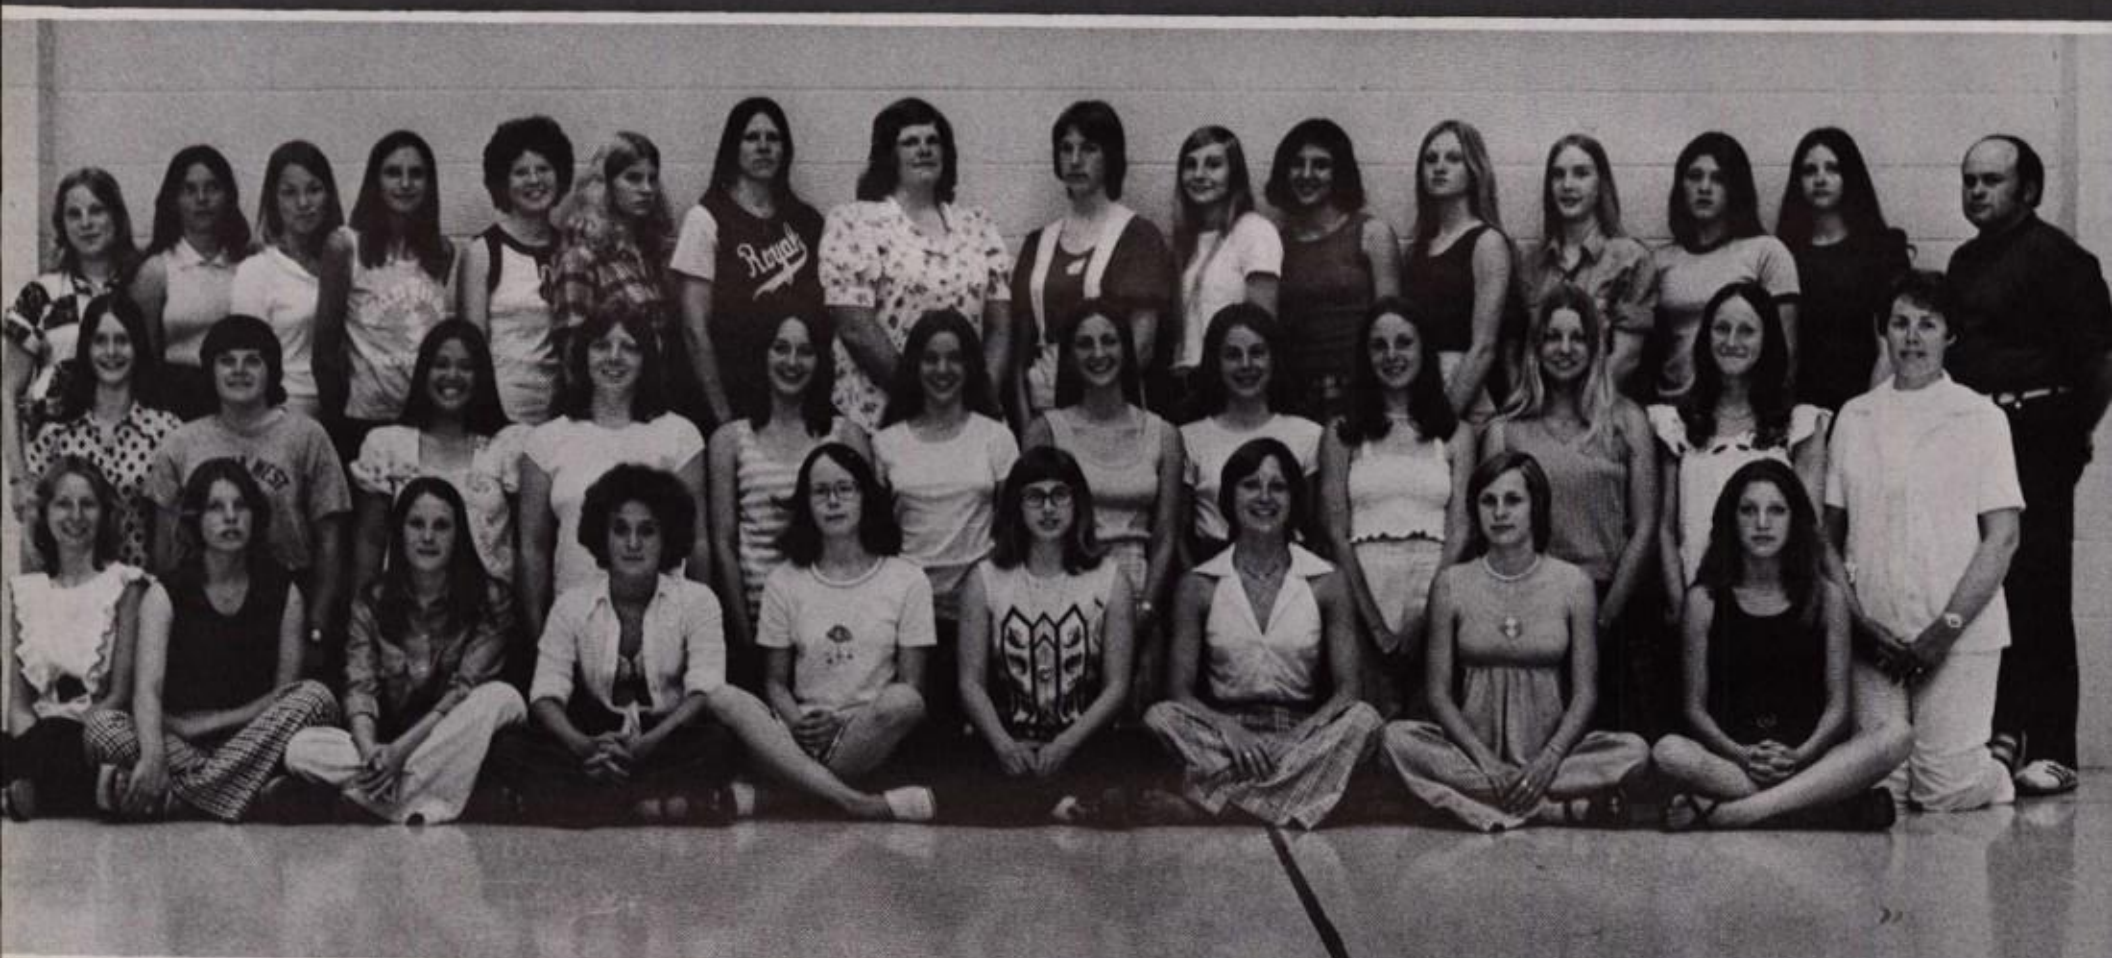

Individuals who placed high for the Chargers were Bill Myers in the mile and 880; Tim Powell in the two-mile, mile and 880; Mark Young in low and high hurdles; Steve Krueger in the javelin; Tom Vernon in the two-mile and mile; Steve Snyder in the pole vault; Ron Clark in the pole vault; Shane Toomay in the 440; Dave Foltz in the two-mile; Greg Barron in the 880; Kevin Fries in the steeplechase; Randy Kinder in the two-mile; Brent Swanson in the steeplechase; and Mike Fein in the mile and 880 walks.

Relays placing high were the four-mile, distance, mile, medley, 880 and hog relay.

West Places 4th In State

For the eighth season in a row, the Topeka West boys' tennis team posted a winning record. Their mark was 52-28, including wins over all Topeka schools except Topeka High.

The Chargers placed fourth at the Sunflower League meet, third in the regional meet, and fourth at the state meet.

At the regional meet, the doubles team of Jeff Bakalar and Kurt Reid placed second, while the team of Elliott Cumonow and Stacy Sumpter placed sixth. In singles competition, Victor Pomeroy and Kevin Roberts each placed fifth.

Bakalar and Reid qualified for the state meet, where they placed fourth and became the first medalists at the state meet for Topeka West since 1969.

Golfers Take City Meet, Place Fourth At State

Led by senior letterman Doug Anderson, the Charger golf team had a successful season with the four-man team running away with the city championship, placing second in the league and regional meets, and earning fourth at the state meet.

Other members of the four-man team were junior lettermen Mark Crow and Chad Cherry and first-year competitor Brian Burkhead.

At the city meet, Cherry and Crow each shot 74 to tie for low score, but both lost in the playoff for first medalist. Anderson shot 75 for fourth medalist and Burkhead shot 77. Their 300 total was the best in Topeka West history. The two-man team placed fifth with 177 and the B Team four-man team placed first with 350.

The four-man team placed second at the regional meet to qualify for the state meet where they placed fourth. Anderson led the Chargers at state with 77-72-149, followed by Crow with 75-75-150, Burkhead with 74-80-154, and Cherry with 74-86-160.

Graduates Share Mixed Emotions

Three years at Topeka West came to an end as the class of 1975 came together for the last time May 27 for commencement exercises in Moore Bowl at Washburn University. Dr. Owen Henson, an assistant superintendent of schools and former Topeka West principal, was guest speaker.

With their daily pilgrimages to school finally over, 420 seniors found themselves victims of mixed emotions. Joyous feelings gave way to a more solemn mood as friends parted and individuals made their way into the unknown future.

Chargers Receive Academic Honors

Topeka West High School recognized 122 students at the annual Honors Assembly May 1 in the school auditorium.

The assembly was held to honor those students who showed outstanding ability in various fields.

Seniors Unite In Spirited Fun

The annual Senior Week in May started with Little Girl and Boy Day. Senior women had their annual breakfast on Tuesday, Pajama Day. The class of '75 showed their talents that night at the "Seniors Live: '75" talent show.

Wednesday was Cowboy-Cowgirl Day. During lunch hour, a dunk tank was in operation in the amphitheater.

Thursday was Animal Day, and Friday seniors dressed for '50's Greaser Day.

For the first time, the senior assembly was cancelled because of a lack of participation.

New Graduates deserve a new kind of bank

Now that you've graduated, whether you're going to college or going to work . . . you need to start thinking about things like banks. Fairlawn Plaza State Bank is the kind of bank you should think about when you're ready to open your checking or savings account . . . or for any of the "Full Service" conveniences you will find. We are the fresh, young, friendly new kind of financial service in Topeka . . . with a 24 hour money-machine, one-statement banking and "full service" lobby hours on Saturday from 9 til noon. You're different now that you're out of school and so is Fairlawn Plaza State Bank so . . . stop in and let us show you how easy your banking needs can be. Also we want the opportunity to congratulate you in person!

Going Somewhere?
So is Washburn University.

No standing still for us. Just as you, Washburn wants to move ahead, to accomplish things.

Washburn is large enough to help you do just that . . . large enough to provide quality education but small enough to let you be an individual . . . large enough to provide all the excitement of sports, contests, and social events but small enough to give everyone the chance to succeed. The Fine Arts Center contains facilities unmatched in the midwest; the School of Law offers superior legal education; the Learning Resources Center is complete with every advanced educational and teaching facility. Course instructors are professional full-time faculty. No graduate assistants conduct classes at Washburn.

If you're going somewhere . . . write the director of admissions, Washburn University, Topeka.
We can get along together.

In 7 weeks, you'll be
keeping up with the Joneses,
the DeSantis, the Ryans, the
Majeskis,
and the Smiths.

Before the sun creeps over the horizon, you'll be making contact with the earth. Push-ups, sit-ups, jumping jacks, leg lifts, squat thrusts, running in place, jogging. You'll never have trouble working up an appetite in Basic Training.

7 weeks of physical and mental conditioning that'll push you to limits you never thought you could reach. Because the better shape you're in, the better shape our Army's in.

After Basic, you can learn a good job, earn a good salary, and even gain college credits.

For more information, see your local Army Representative.

Join the people who've joined the Army.

As Time Goes On . . .

As time goes on and the memories begin to fade, let the 1975 Chevalier Color Your World and help you relive your high school days. But then, who could forget the first Homecoming Parade, the State Championship Cross Country Team, Something Bigger Week, President Ford's visit to Topeka or that day so important to everyone, Commencement Day. That was the day the '75 seniors graduated into the world, when the juniors assumed leadership and the sophomores took one step toward maturity.

We want to show our appreciation to the yearbook staff for sticking with us through all the obstacles we encountered throughout the year. Others who deserve thanks are Miss Candy Herbert, student teacher; Becky Stone, staff artist; the beginning journalism classes and photographer Steve Shufelberger. A special thanks goes to Mr. Shufelberger. We are all grateful for the many hours you spent on photography and the patience you showed us on those difficult days. But most of all we want to thank you, the students, for without you there would have been no need for a yearbook.
